

### Brief Biographical Sketches Of Little League All-Stars

**RICKY BURKHARDT**  
(Gosart's)  
Ricky plays third base. He started the season rather slowly but then got his hitting eye and had everyone talking as the season progressed.

**KEN COOK**  
(Harter's Dairy)  
The smallest man on the starting team. He has handled the big pitchers with the poise of an old timer. He is the fire ball of the team and his zip doesn't let anyone get lazy.

**ED DUBIL**  
(Harter's Dairy)  
One of the big two. His pitching and hitting have kept the local lads in the running. He is a repeater in All-Star competition, having played on last years squad. Ed

hurled the no-hitter at Duryea and homered against Kingston to carry the team into inter-district competition. Ed is hitting just below 500.

**ALLEN FOX**  
(Harter's Dairy)  
Saw action against Luzerne and Forty-Port. Al is also one of the League's leading hitters this year. Plays outfield during regular season.

**MEL MORRIS**  
(Gosart's)  
As Third baseman his strong arm has taken away some sure hits. He plays the hot corner with no fear of opposing batters as he closes the gap between the hitter and third to prevent any opposing hitter from laying down a bunt. Mel has one of the top averages

in All-Star competition. He is just below the 500 mark.

**KEN JONES**  
(Harter's Dairy)  
His base running, hitting and play in centerfield have made him one of the key men in wins to date. Ken is also one of the top hitters in All-Star play-off games thus far.

**TOM JENKINS**  
(Daddow Isaacs)  
Plays left field as a starter. Has contributed timely hits to start a number of rallies since the competition has started. Tom is one of the League's leading hitters.

**CHARLES KERN**  
(Harter's Dairy)  
Another one of the big two. He has won three games to date in the play-offs and is batting over 500 in All-Star competition.

**BOB LONG**  
(Daddow Isaacs)  
Bob's hustle in the outfield and on bases has made him a solid

choice for the All-Star team. He digs right in when batting and doesn't let a pitcher scare him with a fast inside pitch.

**BILLY MARTIN**  
(Gosart's)  
Bill's bunt at Duryea accounted for the only run in that contest. He plays right field and has played with the poise of a Big Leaguer.

**BOB PARRY**  
(Lazarus)  
Bob has consistently come up with the big play in each game. His fielding has been outstanding. In addition to playing second like a big timer his hitting has been just below 500.

**GARRY SPONSELLER**  
(Harter's Dairy)  
Gary is one of the speedsters. When someone is needed for that added speed his dad will call on his own boy to fill the bill. Watch this young fellow coach the base runners as they approach third. Gary is

also one of the League's top three hitters in regular second play.

**BUZZ SZELA**  
(Duke Isaacs)  
Played third base during the regular season. Had one of the hottest bats in the League in the early season. He is the big man on a scrappy Trucksville team.

**STEVE TOWNSEND**  
(Lazarus)  
A rubber-armed first baseman. His ability to stretch for his team mate's throws has been a wonder to behold. His glove work took two hits away from Kingston. Steve hits the ball hard with an average well above 300.

**BOB PARRY**  
How do you write about a man like Bob? He is unassuming and never looks for credit. His job is the biggest task of all. Bob is always calling umpires, managers, and field men to make sure everything is running smoothly. I couldn't write enough that would do justice to as grand a guy as Bob. He's tops and we all want him to know that we appreciate everything he does for us.

**BILL SPONSELLER**  
Bill, who works at Associated Transport, is managing the team. Ever since we can recall Little League baseball, Bill has been active. His mild manner and personality are a good influence on the youngsters. He is a credit to our community. Good luck, Bill.

**JOHN BESTWICK**  
John works at Commonwealth as a field representative. Watching him work with boys makes parents proud. John has the know how and personality to help him win the confidence of the kids. Good luck to you also, John.

### MONTROSS REUNION

"Back Mountain" Montross descendants of Norton, Samuel, John and Elijah met for the 57th annual Montross Reunion Sunday, July 15, 1962, at Irem Temple Country Club picnic grove.

Our group was very small, again this year, because of deaths and illnesses that have come to many of our older members. Some of us recalled rather sadly past days when we easily numbered a hundred and more for these cherished gatherings each summer. However, the Fellowship of the few is always pleasant and we sent card messages to some of our absent ones thus including them in thought.

As usual, we sat down to tables bountifully spread with good picnic dinners. A Thanksgiving Grace for such bounty was pronounced by our President, Warren Montross.

A Business session, immediately, followed dinner with the Minutes of 1961 read by Secretary, Helen Williamson, and approved as read. Treasurer, John Montross, next gave his report; bills were presented and paid.

Historians, Floyd Montross and Helen Williamson presented new pages of the year in the Scrap Book they have been keeping — newspaper clippings of our young peoples' graduations and accomplishments; births, marriages, and obituary notices; news items regarding church and social organizations, travel and business, in which Montrosses of Back Mountain areas regularly conduct themselves. Thus our present-day History goes on a bit to add to the treasured volume covering almost 4 generations of careful genealogical and historical account prepared by Drs. John and Eve Taylor in 1958.

The following Births, Marriages and Deaths were recorded this year:

**Births:**  
Son, Aaron Stephen, March 25, 1962, to Mr. and Mrs. Charles Maat, Harverford, Pa.;  
Son, Bryan, May 8, 1962, to Mr. and Mrs. Clifford Hill, Trucksville; Daughter, Shervlee, Sept. 15, 1961, to Mr. and Mrs. Richard Race, Wallingford, Conn.;  
Daughter, Suzanne Marie, Nov. 29, 1961, to Mr. and Mrs. Louis Tripp, Johnson City, N. Y.;

**Marriages:**  
Carl Montross, Jr. to Linda Ann Grev, June 23, 1962;  
Edwin Hutler to girl of N. Carolina, June 10, 1962.

**Deaths:**  
Lavinia Montross, Butler, Aug. 19, 1961, Plymouth, Pa.;  
Ella Montross Mathers, Jan. 20, 1961, formerly of Orange;  
Dr. Rudolph Ghien, March 25, 1962, Denver, Colorado.

A motion was made and carried to meet again in 1963 on the 3rd Sunday in July at Irem Temple Country Club picnic grove.

After adjournment, many of us followed the lead of some of our Club members to enjoy pleasant areas around the main Club buildings and swimming pools and to feast our eyes on the beautiful country side views extending far below Irem's site. Gradually, thus, our fellowship of 1962 drew to a pleasant end.

**HOOPER REUNION**

Hooper Reunion will take place Saturday at Wolfe's Grove, with basket lunch at 12:30. All relatives are invited to attend.
