Lehman In 1829

Lehman Township was first settled in 1780 by Abram, or "Indian" Pike, famous for being captured by, and escaping from, savage Indians. He ran a sugar plant. Lehman Township was set off from Dallas in 1829, and comprised the present township, and most of what is now Lake Township.

Eastern Star Has Best Sale

Auctioneers Add To Entertainment

"This is the most real enjoyment I have had in ages!" exclaimed a Harrisburg native who attended her first auction at Meekers' Kunkle last Saturday as Dallas Chapter, Order of the Eastern Star, enriched its coffers with the largest amount ever garnered.—thanks to the down-to-earth proddings and homey ad libs of capable auctioneers, Myron Baker and Dick Demmy.

The Book, Odds and Ends, the Jewelry, the Children's Games, Pony Rides, Produce and Plants, Baked Goods, Homemakers, and Refreshment Committees hit an alltime high in adding to the toffers, too!

Carnival glass tumblers, crystal, and some cases of blown glass added interest as several antique dealers and some laymen vied for the bids.

Mrs. Gordon Austin, Shavertown, won the homemade quilt. Susan Mieczkowski, Shavertown, won the Saab Burro donated by Worthy Matron, Mrs. Betty Meeker.

With one ear on the broadcast

from Medford, Mass., and the other on the bidding Job Dietz of Kunkle finally acquired a well preserved antique caned chair.

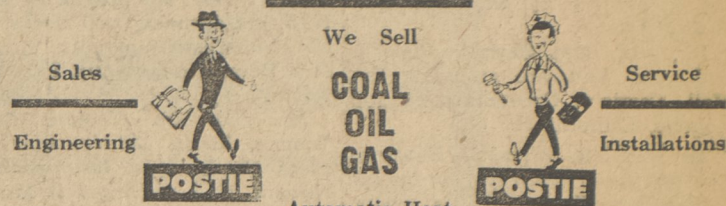

The sincere support of the public, press, radio, and weather man; the kind and appreciated cooperation of the auctioneers and the ground crew; the satisfaction of working well together; and a deep

sense of accomplishment caused the weary but delighted members to conclude with a "Let's have another Auction next year!"

Boarder: "Hey, I found a nickle in my hash!"

Landlady: "Yes, I put it there You've been complaining about the lack of change in your meals."
