

Pat Wilson's Letters Portray Fascinating Life In Morocco

Herbert J. Major, Overbrook Avenue, had as recent guests his son-in-law and daughter S/Sgt. and Mrs. Billy A. Wilson and their three sons, Patrick 8, David 6 and Billy 5, from Morocco, Africa, who left there July 18th.

S/Sgt. Wilson has been stationed in Morocco for the past twenty-nine months. His family joined him there three months after his departure from the states.

During S/Sgt. Wilson's career

with the U.S.A.F., he has served two enlistments with the Air Force in Korea; Benton Air Force Base, Benton; Special Activities Squadron, Fontainebleau, France; Plattsburgh Air Force Base, Plattsburgh, N. Y.; New Castle Air Force Base, New Castle, Delaware and Cannon Air Force Base, Clovis, New Mexico. Mr. Wilson is a native of Illinois.

Mrs. Wilson, the former Patricia Clark who graduated with a major in Music from College Misericordia,

taught in public schools for three years in Pennsylvania and New Jersey prior to her marriage. During S/Sgt. Wilson's tour of duty in Clovis, N. M. and Morocco, Mrs. Wilson has been active as Church Organist, Choir Director at the Base Chapel and private Music Instructor.

In November 1954, Mrs. Wilson flew to Fontainebleau, France with their thirteen month old son, Patrick, to join her husband. During her twenty-six months stay there, their second son, David, was born. Their third son, Billy was born upon their return to the states in 1957.

The Wilsons have especially enjoyed their stay in Morocco. Pat's letters to her family have been descriptive of their experiences and acquaintances with the Moslem people and their customs and the country in general.

Dear Family:

We motored off the base for the first time since the boys and I arrived. We had a wonderful time. We drove through Merrakech to the foot hills—Ourika Valley. Ben Guerir AFB is a very desolate area. Arabs herd their sheep and goats in the fields and you would won-

er where they find a blade of grass. Camels eat thistle and stubble.

As you get near Merrakech there are orange groves, banana trees, groves of date palms and hedges of cacti—some 6' and 7' tall. "Berbers" (Nomadic Arabs) gather at the wells to draw water, beat their clothes clean on the bushes and ground to dry. They carry the water in flat pans or earthen jugs on their heads.

In Merrakech many of the buildings are pink adobe. There are some quite modern apartment buildings. We did not see much of the city this time.

We thought the foothills were very picturesque. They are rolling and bare. The valley rambles and is green and productive. We did get on that narrow road that goes up the mountain to the ski slopes, but half way up we turned around and came back. Luckily we found a gravel area large enough to back the car up and get turned around. It was a straight drop down, believe me! You found yourself leaning in the car away from the cliff side. Right on the very edge the natives rode on their donkeys and the children played. Billy kept saying, "Take it easy, Daddy. Take

Knights Upset Forty Fort 13-7 Rogers, Palmer Star; Team Wins 2 Straight

An underdog but determined Lake-Lehman eleven upset Forty-Fort 13-7 Friday night on the latter's field for its second consecutive victory.

Both teams are expected to battle it out with Dallas for honors in the West Side Conference. Dallas was the early season favorite with the Flyers and Knights running a close second.

Lake-Lehman meets Dallas this week in what could be the "big game" of the year for the Knights. A win for Lake-Lehman would put them in the driver's seat and perhaps go undefeated in loop competition.

Palmer scored the first TD for the winners in the second on an eight-yard run and the winning marker came on a pass-lateral play covering 17 yards from Rogers to Evans to Lopasky.

Forty-Fort scored its lone marker in the third period when they marched 83 yards with Antinnes passing to McGurk for the tally. Knights Take Lead

Forty-Fort took the opening kickoff and moved to the Lake-Lehman 14 before a stubborn defense rose to the occasion to halt the Flyers. The big play in the drive was a 39 yard run by Antinnes on the third play from scrimmage.

Later in the period Lake-Lehman got a break when on a fourth down punt, Forty-Fort was offside giving the Knights a fourth down with inches, but instead of gambling the Knights punted and it payed off as the ball rolled dead on the Flyer 4-yard line. A clipping penalty upfield set the Flyers back to the 2 from where they punted but a poor boot went out of bounds at the 23.

Three running plays netted little yardage for the Knights so Rogers took to the air on fourth down and hit Brown with a pass on the 11. After Rogers picked up three, Palmer took a hand-off from Rogers and rumbled into the endzone for the score. Ellsworth converted to give the Knights a 7-0 lead which it maintained during the first half.

Lake-Lehman threatened in the second period when Rogers intercepted a Flyer pass and raced to the Forty-Fort 29.

After picking up a first down at the 18 the attack bogged down as the Forty-Fort defense dug in. With a fourth and four at the 13 an attempted field goal by Ellsworth fell short.

Forty-Fort started to drive after shaving off the Lake-Lehman threat, but Karl Squier came up with two timely tackles to kill off the threat as time ran out.

Lake-Lehman had an opportunity for another score early in the third period following a fumble recovery by Landis at the 29, but once again Forty-Fort's line stiffened and the Knights lost the ball on downs at the 17.

It was from here that the Flyers marched 83 yards for its score with substitute back Lamoreaux spearheading the ground attack and two Blandina to Chaney passes setting up the final play, a pass from Antinnes to McGurk. Antinnes knotted the score at 7-all as he ran over the extra point.

Lopusky Gets TD

Early in the fourth period Forty-Fort started another drive following a Lake-Lehman punt but a fumble on the 45 killed off the drive and Lake-Lehman proceeded to march for its game winning score. Bernie Snyder made the all important recovery.

Lake-Lehman used four plays with a pass to Evans placing the ball on the 24. After Rogers picked up seven to the 17 on a "keeper play", he faded back and hit Evans with another pass at the 13 and Evans in turn flipped it to back Dick Lopasky who was trailing the play and he toted the pigskin in for the deciding marker.

Moments later the contest ended with the Flyers threatening as they reached the Lake-Lehman 35.

Statistics

Forty-Fort led in first downs 8-7. Lake Lehman hit on 6 of 10 passes for 85 yards while Forty-Fort completed 4 of 11 for 69 yards. Forty-Fort was penalized 53 yards to 36 for Lake-Lehman.

Bloomsburg Fair Lists Top Notch Talent For Series Of Night Shows

Jimmy Dean, Ginny Tiu and Anita Bryant will be the stars of the night show at the Bloomsburg Fair as the headliners are changed three times during the exposition.

A completely different night show will be presented on the grandstand stage. It will be packed by music, comedy and variety and spectacular in every aspect.

Headlining the show Monday and Tuesday nights, September 24 and 25, is Jimmy Dean, one of the most versatile stars on the entertainment scene. Dean sings, acts, does comedy and plays an assortment of musical instruments.

Chinese Tots

Wednesday and Thursday nights, September 26 and 27, bring to the stage "show business dynamite" in a small package in the person of Ginny Tiu. She is a tiny seven-year-old Chinese girl with an enormous amount of talent. Ginny plays the piano with the skill of a seasoned artist, and has an unlimited repertoire including selections from Mozart, Chopin, Beethoven and Brahms. In addition, Ginny sings, tap dances, does the hula and recounts a series of humorous anecdotes which literally "brings down the house."

Anita Bryant

Climaxing the "action packed" week at Bloomsburg Fair on Friday and Saturday nights, September 28 and 29, will be Anita Bryant. Anita is one of the country's favorite singers. She holds the titles of the nation's "number one female recording artist" and "best vocalist of the year" awarded by the Academy of Television Arts and Sciences. Anita is also an active member of the "Youth for Christ" movement.

Other Features

This is not all. You will see and hear seven other outstanding acts in the entertainment field today. They will be presented every night in addition to the name stars mentioned above.

The acts include "the unpredictable" Wier Brothers, one of the most riotous and amusing comedy teams in the world; Johnny Matson, who plays the accordion, trumpet and does comedy routines as well as sing; Ann Marston, America's "Sweetheart of the Bow and Arrow;" The Five Amadis, three young men and two girls from Denmark, one of the best tumbling teams in show business; the widely-acclaimed June Taylor Dancers, renowned for their creative dance interpretations and sheer beauty of their performance; Jerry Murad's Harmonicats, a rare event in entertainment with the
