Mt. Zion. The big news is the word Dottie got from New York that her visa from the Congo has arrived. She says she has to wait for the surgeon's release. In her Jots in my current issue of The Gilbert Story she writes: 'This time I won't be so bold as to say just what I'm going to do, but I expect maybe, perhaps, to get on my way the latter part of October. I will fly directly to Leopoldville... I am supposed to teach nurses and sanitary officers, and the rest of the personnel is doubling up on my classes somehow until I get there.'

Wesley Lewis Ill with a heart attack. One of the strong men of the Methodist Church, not only our Mt. Zion Church but the Methodist Church at large, G. Wesley Lewis is seriously ill with a heart attack. He was taken last Tuesday morning to Nesbitt Memorial Hospital. Prayers are going up all over for his recovery. I think of his growing spiritual strength during the years when I was his pastor and ever since; I think of his activities in the local church, of his rise in Conference affairs from being District Lay Leader and then as Conference Lay Leader and then as one of the Lay Delegates to General Conference and a member of important General Conference committees. I don't like to think of a man like that being laid aside even for a short time. But with his Christian background I know he will be making spiritual 'hay' during his recovery. Even in the present uncertainty of his condition his many friends hope and pray for his recovery.

Sunday sermon. Sunday morning service was appropriate. Pastor Reid preached on The New Creature, and made clear what was central and essential in the Christian faith. Pointed out how there were many things that some seem to think all-important even to the point of making 'good' Christians terribly intolerant of those who differ. In his sermon Pastor Reid called for 'surrender to Christ'. Cathy and Dottie had chosen for their duet a song entitled 'Surrender'. Which turned out to be most fitting.

Our kind neighbor Ralph Weatherly from over on the other road dropped in Saturday morning with some varieties of literature he knows we like. By the way, 'his' road is black topped down the hill as far as the cross-road that goes from Howard Perry's to Memorial Shrine. Well, Ralph and I chatted a few minutes. I asked him if he knew Bill Wright of Dallas and of course he did; said he was a fine lay reader in Prince of Peace Episcopal Church.
