## Five Hundred At Open House In Shavertown

### Firemen Present Life Memberships To 4 Benefactors

Large neighbourly crowds, attended the Open House held last Sunday afternoon by Shavertown Fire Company and expressed delight with the company's fine new quarters.

Members of the company had worked for days polishing and refurbishing the gleaming fire fighting equipment even down to silver painting the trade marks on the truck tires.

Everything was spic and span and ready for business and youngsters who had free access to the drivers' seats in the trucks thrilled to the sound of the whirling sirens.

Members of the Auxiliary served colorful home-made Hallowe'en cake with coffee or Birch Beer, whichever was preferred.

During the brief formal opening ceremonies Congressman Daniel Flood presented a 50-star American flag that had flown over the Capitol of the United States to Edward Carey, president of the company.

Mr. Carey in turn presented Life Memberships in the company to

Granville Sowden and Dr. M. C. Rumbaugh, benefactors, and to Atty. Enoch Thomas and Congressman Flood.

The program opened with an invocation by Rev. Francis Brennan of St. Therese's Church followed by introduction of Fire Company and Auxiliary officers and municipal officials. Rev. Frederick Eidam, of St. Paul's Lutheran Church pronounced the benediction.

**SHUPNIK'S RECORD Unparalleled**

Never in the history of the Back Mt. has the area received the recognition and benefits brought here by Rep. Fred J. Shupnik.

Among the many outstanding projects for which he is credited are:

- 1,000 Acre Multi-Million Francis Slocum State Park in Kingston Twp.
- New Harveys Lake Highway to Open New Avenues to the Expanding Area.

These and many other improvements, in step with the fast-growing Back Mt., are the result of the AMBITIOUS and ALERT LEADERSHIP of an OUTSTANDING REPRESENTATIVE serving the 6th Legislative District and including:

DALLAS BOROUGH & DALLAS TWP., FRANKLIN, JACKSON, AND KINGSTON TWPS.

Also: Courtdale, Exeter Borough and Exeter Twp., Forty Fort, Luzerne, Swoyerville, West Pittston, West Wyoming, Wyoming, and Pringle.

Shupnik Paves the Way

**State's Highway Work At Million Dollars Here**

Nearly \$2 million dollars have been spent in resurfacing, widening, grading and drainage for roads in Dallas Borough, and Dallas, Kingston, Jackson, Franklin Twps. in the past 3 years, according to the Pennsylvania Department of Highways.

Representative Fred Shupnik, whose Sixth Legislative District territory covers these communities, has received numerous compliments from residents who have noted the progress and improvement of the roads during his tenure.

Scheduled to begin shortly is the work on the new Harveys Lake Highway, one of the most ambitious undertakings by the State Highway Department in this region, according to Rep. Shupnik.

**Linked With Expansion**

Last week during an inspection of the many road improvements in these areas, Rep. Shupnik explained that his aim in bringing the suggestions for better highways to the state authorities was prompted by the growth of the Back Mountain region which needs easy and convenient means of transportation.

Other projects find Franklin, Kingston Township sharing with Exeter Township an expenditure of \$311,200 for widening and surfacing of Legislative Route 40014 for more than three miles linking Wyoming County.

Dallas Township's biggest gain is a \$93,500 improvement planned for Legislative Route 40051.

Approved for next year is the surfacing of Main St., Dallas, at a cost of nearly \$4,000 and resurfacing of Legislative Route 40177 in Dallas at a cost of \$6,000.

Resurfacing and widening of Legislative Route 40053 in Dallas Township at an expenditure of \$110,000 is scheduled for 1963.
