

Education Week At Area Schools

Dallas Schools and Lake-Lehman Schools invite parents to visit the schools during National Education Week, get acquainted with teachers and physical equipment, and see what children are doing in their classrooms.

LAKE-LEHMAN OPEN-HOUSE
At Lake-Lehman, during American Education Week the faculty of each Lake-Lehman Area Elementary Building invites the parents to visit their school and their children's classrooms. Please make a special effort to visit on the afternoon of Tuesday, November 13, when the Area P.T.A. Group at each Elementary Building, in conjunction with the teachers, will sponsor a Tea for teachers, parents and friends of the school. Due to variations in time of dismissal at each place, the approximate time at each building will be as follows:

Lake Building — 2:45 p.m.
Lehman Building — 2:30 p.m.
Noxen Building — 2:30 p.m.
Ross Building — 3:00 p.m.

At Lake-Lehman High School, "Education Meets the Challenge of Change" is the theme of this year's National Education Week observance Monday from 7:00 to 9:00 p.m., sponsored by the P.T.A. and Teacher's Association.

Local residents are urged to take this opportunity to visit the new building and examine the modern facilities. Laboratories for both science and languages are available to those students involved in these fields. All the classrooms are spacious, well lighted areas. Many of the rooms will contain displays of student work to enable visitors to understand more about their school. P.T.A. guides will be stationed at various places.

A tea, sponsored by the P.T.A., will be held in the cafeteria from 7:00 to 9:00 p.m. Following the Open House Tea, a business P.T.A. meeting will be held.

Chairmen are Mrs. William Coole, Mrs. Carl Newberry of the P.T.A., and Miss Mary Ann Foley of the Teachers' Association.

Mrs. Richard Traver Improves At General

Rushed to General Hospital in Noxen ambulance late Monday afternoon, Mrs. Richard Traver, Stull Road, is in "fairly good" condition after undergoing emergency operation immediately on arrival.

Feeling severe abdominal pain that afternoon Mrs. Traver went to Lake Noxen Clinic from which she was sent to the hospital by Dr. Lester Saidman.

According to her son Richard, Mrs. Traver had not been feeling well for the past two days, but did the wash Monday anyway.

Albert Goble and Kenneth Cuddy, manning the ambulance, used the siren the whole way.

On the return trip, the ambulance passed a hitchhiker in Kingston, Richard, Jr., who did not learn the identity of the patient until he arrived home. Richard walked from work in Kingston to Dallas before getting a ride.

Students Help Keep Noxen Law-Abiding

Constable Michael Traver reports that Halloween passed off without incident in Noxen, a contrast to last year when air was let out of seventy tires and other malicious mischief abounded. He attributes the good order to the fact that a number of high school boys, leaders among their schoolmates, were enlisted to keep an eye on things.

Chief Traver was assisted by Calvin Strohl and Bud Weaver, deputy police.

A parade of school children got under way at 2 p.m., passing through the town in costume, an annual feature of a Halloween in Noxen.

Constable Traver is in his second six-year elective term as constable.
