

Annual Donation Day Tomorrow At Old Ladies Home, Wilkes-Barre

Annual Donation Day Tea of the Old Ladies Home 450 Carey Avenue, Wilkes-Barre, will be held from 2 to 5 tomorrow. Any donation which is useful in running a home; food, coal, money and other necessities will be greatly appreciated.

Former Back Mountain residents who are now guests at the Home are Mrs. Grace Anderson, Shrine View; Miss Emily Avery, Dallas, and Mrs. Mary Jepson, Trucksville.

The majority of the guests range in age from 80 through the early 90's. With this in mind, it seems remarkable that in the last fire drill held at the Home forty-four women were evacuated from the three-story building in three minutes.

Those who visit the Home are impressed with the activities and varied interests of the guests. All the original and lovely Christmas gifts that will be on sale at the

Donation Day Tea were made by the guests throughout the past year.

Any of the Board Members of the Home who reside in the Back Mountain area will be happy to provide transportation to the tea or receive your donation if you can not go yourself.

They are Mrs. Mae Townsend, Mrs. William F. Newberry, Mrs. R. S. Ferguson, Mrs. Floyd Sanders, Margaret Wood and Mrs. James B. Robinson.

Summer residents of the Back Mountain who are Board Members are Mrs. Malcolm Burnside, president; Mrs. Arthur James, Mrs. Andrew Sordani, Mrs. F. Thoburn

Julia Radeszky, 11, daughter of Mr. and Mrs. John Radeszky, Norton Avenue, suffered a fall during the summer and lately complained of pains in her knee and leg. Examination by doctors in Tobyhanna revealed that a bone in her leg was fractured, requiring a cast. Julia is a sixth grade student and attends classes with the aid of her classmates.

Change Banquet Date

King's Crusader Class, Mt. Zion Church, will hold its annual Christmas banquet December 10, instead of December 17, at Orange Community Hall.

Please make reservations with Mrs. Marie LaBar.

Improved Parent Council To Work With Guidance Counselor

Several weeks ago, a discussion between George McCutcheon, guidance counselor, and a few interested parents of High School students, brought forth some new ideas for an improved Parent Council. It was felt that little or no benefit was gained in the past by a meeting, attended by a handful of parents. It was decided that meetings were unnecessary to carry out our new plans that the Parent Council should concentrate its efforts on helping all students, particularly those not planning for college careers. As a result of this thinking our aim became — "The Placement of All Students After Graduation, in Further Education or Employment of Some Kind."

Plans are to work closely with the Guidance Department. Realizing that students who plan continued education in college, business college, technical school, beautician school, etc. have their own definite plans for the immediate future, the group will therefore give special emphasis to students in the General Course.

We hope to accomplish this by contacting people from our own and neighboring areas, representing all types of jobs, electricians, barbering, caterers, nurses, and countless others. Through the cooperation of Mr. McCutcheon and the Parent Council, students who are undecided, will have the opportunity, with their parents, to meet these representatives in an effort to choose a position or career. Members of Parent Council will provide transportation for parents who wish to attend these meetings and dis-

It is our aim to provide 100% job and college placement for all senior graduates. We are planning a Scholarship Fund to give further assistance to our young people. Information has already been received from schools and areas which have had wonderful success with such a Scholarship Fund.

Mr. McCutcheon is making a survey of students in both Senior and Junior High School to determine interest in occupations. Mrs. A. A. Sinicrope was appointed chairman of the newly organized group. Mrs. Carlton Davies, Mrs. Fred Eck, and Mrs. Justus Lotts will act as advisors.

The motto of the group is "To Build a Better America Tomorrow. We Must All Work Today."

Parents who visit the high schools during Education Week, will be given further information.

Hits Utility Pole

John Manley, Allen Drive, New Goss Manor, was treated at Nesbitt hospital after suffering lacerations, when his automobile severed a utility pole in Trucksville last week. An incoming car crossed into his lane forced his car off the side of the road into the pole. Police Chief Herbert Upsyke reported the badly damaged machine was towed from the scene.
