

# Dallas Captures WSC Crown With 6-0 Victory

## Lettie's 99-Yard Run Sparks Knights In 16-6 Win Over WW

Lake-Lehman closed its season Saturday with an impressive 16-6 win over a rugged West Wyoming eleven on Wyoming field. The win gives the Knights a 7-3 record for the season "the best the Knights have compiled since the days of 'Joltin' Joe Lopasky."

A 99-yard run of a pass interception, a 25-yard run from scrim-

mage and a 25-yard field goal tells the story of the Lake-Lehman scoring after trailing 6-0.

**Knights Fumble**  
A Lake-Lehman fumble on its own 35 set up the only West Wyoming score of the afternoon in the first period.

With Atherholt and Korpusik alternating on running plays, the

Cowboys reached the 7 from which Richards passed to Roberts for the score. Belza was stopped on a running play on the PAT.

**Lettie Goes 99 Yards**  
Minutes later West Wyoming was knocking at the goal line again only to have defensive back Larry Lettie pick-off a pass over the line and behind some great blocking go 99 yards for the touchdown. Ellsworth kicked the extra point and Lake-Lehman led 7-6.

**Rogers Tallies**  
Midway in the second period Lake-Lehman started a drive from its own 40 and with Palmer and

Lopasky doing most of the gaining reached the Cowboy 25-yard line. Bob Rogers on a roll-out circled end from here for the final TD to boost the Knights into a 13-6 halftime lead.

**Ellsworth Boots FG**  
Both teams exchanged the football often throughout the second half with the only score being posted on a beautiful 25-yard field goal (actually 35 yards since the goal post are 10 yards deep in the endzone) by halfback Ken Ellsworth. Ell-

worth received a well deserved round of applause from fans on both sides of the gridiron.

Seniors playing their final game for the Black and Gold were: Tom Evans, Bernie Snyder, Bob Rinke, Bruce Spencer, Lee Lord, Stan Rusiloski, Jim Worth, Stan Palmer and Bob Rogers.

Congratulations to head-coach Eddie Edwards and his assistants for the fine brand of football and fine season turned in by their boys this year.

## Kerpovich Blocks Punt, Scores Winning TD In Third Period

Muck, mire and a driving rain-storm could not keep Dallas from capturing the West Side Conference Crown Saturday afternoon as they downed Wyoming 6-0 in a slam-bang affair. It was also Welcome Parents day with each player presenting his mother with a corsage.

Although the Mountaineers offensive aggregation put on many threats, it was the great play on the part of the big Dallas forward wall that paved the way for the victory along with a great defensive effort on the part of Tom Kerpovich who broke through to block a Redskin punt in the third period and then recovered the loose oval in the endzone for the game's only score.

Worthy mention was the fine job turned in by young sophomore quarterback Donnie Martin who was called upon early to replace the injured Paul Siket. This was the first time that Martin had operated with the varsity although he had seen some action with the other reserves.

**Siket Injured**  
Dallas received the opening kick-

off with the Mountaineers returning to the 38.

On the first play from scrimmage, Siket on a roll-out was driven into the Wyoming bench following a six-yard gain and was helped from the field.

Coach Eddie Brominski at this spot had to come up with a quick decision as to which sophomore quarterback to use, Don Martin or Ed Baker, both of whom he has high regards for. It was a question of the coolest operator under pressure, so he went with Martin and Donnie responded well under "fire".

Later in the period Siket re-entered the game but following a hand-off to Farley in which Siket was piled up pretty well, Paul had to be removed from the contest for good and was later removed to the hospital. Now the load really rested on young Martin's ability.

**Poor Punt**  
Midway in the second period Noon punted to the Wyoming 12 but the Redskins were unable to advance and were forced into a punting situation.

Sova got off a poor punt which went out of bounds at the Wyoming 18 and it looked like Dallas was in business.

However the forward wall of Wyoming dug in and limited Dallas to three yards on running plays and a fourth down pass to Noon picked up only 4 yards to the 11 and Wyoming took over.

Later in the period Dallas started from the Wyoming 42 and drove to the 27 before a pass was intercepted by Selenski on the 7 to stop another threat.

**Dallas Drives**  
Early in the third period following a beautiful 14-yard punt return by John Farley after being trapped on his own 15, Dallas put on a drive to reach the Wyoming 16 before a fourth down running play was stopped two yards short of a first down.

Noon and Farley were the work-horses in the march with the "big play" being an intended third down quick-kick on which a bad pass from center was picked up by Noon at midfield and with his speed turned the corner and romped to the Redskins 24 before being hauled down.

**Blocks Punt**  
After being held for downs at the 16, the tough Dallas defensive alignment took over and held the Redskins in check and forced Sova to

punt from around his 5-yard line. However linebacker Tom Kerpovich broke through to smother the punt then scrambled into the endzone to fall on the loose ball for the winning touchdown. Farley was stopped on a running play for the extra point.

In the final period the Redskins unable to gain on the ground tried to mix a passing attack along with running plays but the Dallas line continually put the rush on the passer thus forcing him to run often.

It wasn't until late in the fourth quarter that Wyoming picked up its first and only first down of the contest, but Dallas rose to the occasion to halt the Redskins and in fact dumped Sova for a 10-yard loss on a completed pass.

**Statistics**  
Dallas recorded eight first downs compared to one for Wyoming. Dallas completed two of three passes but showed a - 1 yard passing while Wyoming completed two of seven and showed a - 7 yards.

Rushing Dallas piled up 133 yards against 26 net for Wyoming which shows how tough the Dallas forward wall was throughout the contest and entire season.

**Notes**  
Dallas players hoisted coach Eddie Brominski on their shoulders and carried him from the field. Upon entering the dressing room Eddie was welcomed with a shower.

Coaching staff and players received a championship cake following contest compliments faculty manager Tom Jenkins. Team was driven around town along with a small motorcade celebrating their championship on the Blue and White bus with the word "Mountaineers" on the front.

Dallas recorded the past three years shows 17 wins, 3 ties and 6 losses, a great tribute to head-coach Eddie Brominski and his assistants and also to the team members.

Donnie Andrews out with a foot injury since the opening game of the season was the acting captain for this final encounter, a tough break for the fleet-footed halfback who would have been a great help to the team with his speed.

Seniors in their final game were Archie Pall-trineri, Bob Letts, Willard Bullock, Larry Piatt, Bob Achman, Gary Smith, Sterling McMichael, Del Voight, Bob Decker, Don Andrews and Paul Siket.
