Orange

Joseph Perry who fell and broke his hip recently, has returned home from the hospital. With a pin in his hip he has more freedom but cannot step his weight on his foot yet.

Also it is reported that Mrs. Harry Sickler has come home from the hospital.

AMBULANCE CARDS

Stanley Jones reports that the Franklin and Northmoreland Township Ambulance Association will begin on the 28th to collect the coin cards that have been out. He also says that statements concerning activities of the Association will be available to all residents in the two townships covered by the Ambulance Association.

We had a nice letter from some former Orange-ites, Bob and Madge Snyder. Of course it was Madge who did the writing! They are kinda special folks because I came back from Conference one day to marry them. And I guess I had something to do with their courtship. Among other things Madge writes: (I forgot to say they now live in Toms River, N.J.) "Bob is active in church work and has been a steward and now he is a trustee. He was on the building committee for our new educational building. All the Siglins and Snyders belong to the same Methodist Church."

"The Snyders are bird watchers also. The birds are most delightful and rather expensive sometimes. One girl told me I spent too much money on bird seed, feeders etc. I told her rather bluntly 'you spend far more for cigarettes.' She said no more! Mother seems quite well this fall. She returned here two weeks ago after spending most of July, August, September and October at her home in Orange."

"Marie will graduate from high school this coming June. She is a member of the editorial staff on school year book, teaches a Sunday School class, baby sits at our parsonage and works Saturday in a gift shop. She is also learning to drive. She wants to get her B.S. degree in nursing and is presently

getting her application ready. We follow Dottie's activities and brag a bit about her to our W.S.C.S. members."

Then in a P. S. Madge writes about the death of Helen Wirt: "Helen Wirt died last Monday at our Community Hospital. She was our librarian at the Back Mountain Library. She was courageous up to the end, going about her chores and visiting in town in a padded wheel chair. Her funeral was held today from the new Christ Episcopal Church. Helen will be sadly missed in Toms River. Our Marie is a Candy Stripper at the hospital and was on duty Monday night."

We don't get letters too often from Madge, but when she writes we can almost hear her voice and hear her chuckle.

WORD FROM DOTIE

We got a card last Tuesday from Dottie written at 3 a.m. at Dakar, her first stop in Africa. Speeding toward the sunrise she wrote: "Very short night! Dinner at 8:30 p.m., breakfast at 1:30 a.m." Then her letter received the same day says: "Arrived in Leopoldville right on time — 7 p.m. here, 1 p.m. your time. Had two breakfasts and two lunches plus snacks."

Include Upkeep In Total Clothing Cost

Original purchase price is only the beginning of clothing costs. The number of times you wear a garment is another measure of cost. You may find that the dress you wear the least is the most costly one in your closet, per wearing. Your favorite dress, the one you wear most often, may be the most economical, regardless of original cost. The dress or suit that requires little upkeep may be the best buy. Satisfaction in wearing may be counted as a plus factor.
