FREE SPEECH with no hampering restrictions is how Howard K. Smith reads his contract with the A.B.C. network. His program titled "The Political Obituary of Richard M. Nixon" is proving to be rather costly to A.B.C.

So far, two sponsors, who felt that Alger Hiss should not have been allowed to sit in judgment of Nixon, have cancelled their contracts. Alger Hiss is the former State Department official that Mr. Nixon helped convict of perjury for having denied a role in a Communist spy ring.

Schick Safety Razor Company is trying to cancel its million-dollar advertising contract with A.B.C. Schick is partial sponsor of "Combat" and "Stoney Burke." Cancellation would be effective in January.

The second sponsor, James S. Kemper, president of the Kemper Insurance Company, said his concern would no longer sponsor the Wednesday evening telecast of "A.B.C. Evening Report." The remaining portion of the Kemper's 26-week contract represent more than \$500,000.

Mr. Kemper was former treasurer of the Republican National Committee, former ambassador to Brazil and former president of the United States Chamber of Commerce.

DOROTHY LOUDON may be just the gal to fill Carol Burnett's shoes on the Garry Moore show. At least Garry is hopeful. He is giving her the same big build-up she gave Carol. He will have five of the best comedy writers working with Dorothy, along with help from the costume, music and dance depts when she appears on the December 4th and 25th shows.

Garry has her under option and if she works out well, she'll be his new comedienne.

Dorothy was born in Boston but has spent most of her life in Indianapolis. Her father was an all-American basketball player at Dartmouth. Like Carol Dorothy has a good singing voice. Most of her professional experience has been in supper clubs.

In her first Garry Moore show she will do a sketch with Durwood Kirby called "The Night People." It is built around the theory that people function better at various times. Some people really start to click in the evening while others wake up full of pep in the morning hours.

Durwood is casted as a day person and Dorothy, his wife, is a night person. Sounds like a good show.

THE CHOSEN CHILD, a documentary about a husband and wife in Peekskill, N. Y., who sought to adopt a child, will be televised by the National Broadcasting Company on Sunday, Nov. 25 from 10 to 11 p.m. Film cameras recorded the couple's visit to a Westchester County adoption agency and their interviews with case workers.

The show will be a study of the tragedies and happiness surrounding child adoption. John Chancellor will narrate the program.

THE BEVERLY HILLBILLIES — Number 1 in the Nielsen television ratings, has been sold to the Nihon Television Network Corporation in Japan, which will dub in Japanese dialogues.

Former Dallas Man Killed By Monoxide Gas

The death last week of Robert I. Johnson, 3418 Margaret Street, Johnson City, N. Y., a former resident of Susquehanna Avenue, Dallas has been ruled accidental.

While living in Dallas some years ago, Mr. Johnson was associated with Harold "Shorty" Smith as a representative of the Crawley Milk Company.

Mr. Johnson was found unconscious in his car in the garage at the Margaret Street address, by a neighbor. The garage doors were closed and the car motor was running.

Johnson City Detective Sgt. Harry T. Pettit said investigation disclosed that Mr. Johnson was in an "exhausted condition" having slept only about 45 minutes a night for the last week or ten days.

Sergeant Pettit said that Mr. Johnson had been working long hours because, in addition to his regular job with Crowley Milk Co., he was preparing to take over the operation of a restaurant on the South Side of Binghamton.

Dr. Melvin D. Jones, Broome County Coroner, said the autopsy reveals that Mr. Johnson, father of three, died of carbon monoxide poisoning after having fallen asleep in his car.

Desperate efforts by Johnson City Police and personnel at Wilson Memorial Hospital to revive him were unsuccessful.

Mr. Johnson was a member of St. James Roman Catholic Church in Johnson City and a World War II veteran.

He is survived by his wife, Mrs. Ella Johnson and three children, Debra Jean, Ann Elizabeth and Robert I. Jr., all of Johnson City; his father, Ivan Johnson, Endicott; his mother, Mrs. Eleanor Kanaus, Portsmouth, Va.; a brother, William Blazedell, Wellsville and several aunts and uncles.

Mr. and Mrs. Willard Whalen, Luzerne Avenue, close friends of the Johnsons, motored to Johnson City where they attended the funeral on Friday.

Produced independently by his own company. He will not perform but will appear as emcee. He hasn't been on television since 1956. Pat Boone made his first television appearance on his show.

FIVE MILLION — CBS has committed itself to some \$5,000,000 for Danny Kaye's weekly hour series next season.

Practically all of Danny's material is written by his wife.

THANKSGIVING DAY

*Over the river and through the wood,
To grandfather's house we go
The horse knows the way
To carry the sleigh
Through the white and drifted snow.*

*Over the river and through the wood —
Oh, how the wind does blow!
It stings the toes
And bites the nose,
As over the ground we go.*

*Over the river and through the wood,
To have a first rate play.
Hear the bells ring,
"Ting a ling ding!"
Hurrah for Thanksgiving Day.*

*Over the river and through the wood,
Trot fast, my dapple-gray!
Spring over the ground
Like a hunting hound!
For this is Thanksgiving Day.*

*Over the river and through the wood,
And straight through the barnyard gate.
We seem to go
Extremely slow,
It is hard to wait.*

*Over the river and through the wood —
Now grandmother's cap I spy!
Hurrah for the fun!
Is the pudding done?
Hurrah for pumpkin-pie!*
