

LAKE-LEHMAN HIGH SCHOOL

MARILY WOODLING, EDITOR

Lake-Lehman wrestlers began their first practice Monday afternoon at the Lehigh Elementary Gym. Coaching again this year are Mr. Thomas Longmore and Mr. John Zaleskas.

The second roller skating party of this school was held last Thursday evening at Pete Wolf's.

In their November 2 meeting the Student Council appointed committees for the betterment of the school. They are as follows: Constitution Committee, the Booster Committee, the Assembly Committee, the Budget and Finance Committee, and the Music Committee. Pins for the senior members were ordered and student council certificates for its remaining members.

The Lake-Lehman Band held their Movie Party last night. Mr. John Milauskas was in charge.

The boys basketball team began

practice Monday afternoon in the Dallas Junior High School gymnasium. Without this assistance, it would be impossible for Lake-Lehman to maintain its winter scholastic program. Taking Mr. Nuss's place as head coach is Mr. Maciak.

Mr. Rash has received permission to conduct an honorary physics class for all Junior academic students. This is sponsored by the National Heart Association and is held after school hours. Any students participating will receive an honorary credit upon graduating.

Physical examinations for the girls wishing to participate in basketball will be given Friday morning, November 23, 1962.

Mr. Elton Hunsinger of Bloomsburg State Teachers College was at the High School on November 21. He talked to academic juniors or seniors interested in attending

Bloomsburg State College or other state schools.

Medicals for all junior students will be given according to the following schedule: 11 A—December 3, 11 B—December 10, 11 C—December 17.

Examinations for 11 D will be scheduled later. Mrs. Marchakitus will begin a Spanish class for all interested seventh grade students. Miss Nardone will teach typing to all interested seventh and eighth grade students.

Lake-Lehman To Use Dallas Gymnasiums

Lake-Lehman basketball team is practicing at Dallas, and will play its home games at either the senior or the junior high school gymnasium, according to an arrangement between superintendent Dr. Robert Mellman of Dallas, and Supervising Principal Lester Squier of Lake-Lehman.

The gym at the new Lake-Lehman Junior-Senior High School will not be finished in time for athletics during the winter, though work is progressing steadily.

Schedule for Lake-Lehman players has to be fitted in and around Dallas basketball schedules. Buses transport Lake-Lehman players to practice and games.

The first home game for Lake-Lehman is with Edwardsville, December 14, 6 to 10 at Dallas Senior High School. December 18, the game with Benton will be played at Dallas Junior High School, also the game with Newport December 21.

December 4, 5, 6, 10, 19 and 20, practice will be at Senior High School. November 19, 20, 21, 26, 27, 28, 29, and 30 December 3, December 12, 13, 17, at Junior High School.

Lehman Cub Scouts

Lehman Cub Pack, 241 will meet on Wednesday, 7:30 p.m. in the Lehman Fire Hall.

Robert Russbar will talk on Indian Lore and show slides on the Schacht Excavation near Nanticoke. Boys are to be accompanied by their parents.

Girls Prepare Dinner

Girls of 12-4 who are taking nutrition, cooked a turkey dinner Wednesday for their French class. The menu consisted of turkey, mashed potatoes, candied sweets, French cut beans with mushrooms, cranberry salad mold, and pumpkin ice cream pie. It was quite a success.

Senior Students Assist With Classes

During National Education week, Dallas schools welcomed parents to visit classes and teachers. Many took advantage of this opportunity to discuss their children's progress.

A few of those seniors interested in becoming teachers were asked to assist with classes at Dallas Borough while the teachers attended a parent-teacher tea, on Monday. They arrived at 2 and took over until 3:40 p.m. when classes were dismissed. All who were sent, thoroughly enjoyed themselves, and felt it was a very worthwhile experience. They wish to thank the faculty for giving them this opportunity.

There Will Be A Dance

Student Council wishes to thank all those who contributed to the magazine drive. Although the goal was not reached, co-chairman Karen Walk and Georgia McCutcheon, who did a fine job, have announced to the joy of all, that there will still be a Christmas Dance. As yet, however, no definite date has been set.

MOST SENIORS have been busy collecting patrons for the year book as the end of the year creeps ever

Bow Hunters' Cards Still Acceptable

Pennsylvania Game Commission has issued a last appeal to successful bowhunters to report their 1962 deer kills. Although the law requires hunters who kill a big game animal to report their success within five days following the close of the season, Commission officials are still accepting report cards from archers who downed deer last month.

To date, more than 1,100 bowhunters have mailed their big game kill reports to Harrisburg. M. J. Golden, Commission Executive Director, urged any archer who killed a deer during the October season to report it immediately. "Many hunters simply procrastinate or forget to mail the report to us," Golden said, "but even though it is late, we need all of these reports so that we can make an official tabulation of the deer harvest."

No prosecution will be made of any hunter who sends in his report, even though the deadline is past. Any hunter who deliberately withholds a report, however, is subject to arrest and fine.

Ed Buckley Asks Early Mailing

Campaigns To Speed Christmas Service

Postmaster Edward Buckley launched his 1962 "Mail Early For Christmas" Campaign today offering the following helpful suggestions to guide you in planning your Christmas mailings.

Bring your Christmas card and gift lists up-to-date, immediately. Be sure each address is complete, with full name, street and number, city, zone and state. Avoid abbreviations of city and state names.

Send your Christmas Cards by first class mail, using the new 4c Christmas stamps, to secure priority of dispatch and delivery, forwarding without additional charge, and return to you without cost, provided

you put your return name and address on the envelopes. Also, Christmas cards sent First Class may be sealed and carry return messages.

Separate your Christmas cards into "local" and "out of town" bundles using the handy labels you secure from the Post Office or your letter carrier or rural carrier.

Stock up on the new 4c Christmas postage stamps, available as long as supply lasts. They will "dress up" your Christmas cards and gift packages.

Schedule your Christmas mailings so that your cards and gift packages going to most distant points are mailed by December 10th. Mail Christmas packages for local destinations by December 15th, and by all means, be sure to mail your Christmas cards for friends and relatives in this area at least a week before Christmas.

Use Air Mail for Christmas cards and gift parcels for distant points, especially for your last minute

mailings. Postmaster Buckley said he is now accepting application for Christmas Temporary work, which will be restricted to ten (10) point Veterans first, then (5) point veterans and then others. This is in keeping with Civil Service and Post Office regulations.

Teaches Art

Robert Hukill, originally assigned to teach only creative writing in Dallas Evening Extension School, is now teaching art Thursday evenings, to relieve the pressure on Mrs. Thomas Longmore, who found she had too large a class on Monday night.

Improving Station

Ross Williams is improving his service station at Lehman, by drilling a deep well, blacktopping the parking area, and installing grease equipment.

Protect your Valuable Lawn Mower Now!

We will pick it up, clean it, sharpen it and store it for you if you wish so that it will be ready to go the first thing next spring. Just call 674-5931 today!
