

### Dallas Senior High News

by  
GLORIA DOLBEAR  
JUDITH GROSS

During the week, Mrs. Robert Mellman and Mrs. John Paul, who is head of the maintenance department at Dallas, were patients at Nesbitt and General hospitals respectively, for tests. The students would like to say "Hello" and wish them both a speedy recovery.

In each junior and sophomore homeroom one student has been chosen to collect money from those interested in taking the National Educational Development Tests and the National Merit Scholarship Qualifying Tests to be given at Dallas High School. All interested students should get their money in as soon as possible, since the tests are scheduled for March and must be ordered.

Last week all school secretaries had their Christmas party at the Castle Inn. Attending were Marcia

Lawry, Betty Grose, Verna Wismer, Betty Lamoreaux, Harriet Stahl, Betty Gensel, Jeannine Hoover, and Jean Wilson. A festive time was had by all.

It was announced that \$131,500 in scholarships will be awarded to 207 qualified National Honor Society members in 1963. The scholarships, varying from \$500 to \$5,000, may be used for tuition and fees established by any accredited college or university which the winner will attend. All members of the National Honor Society who will be graduated in 1963 are eligible for this competition, and seniors who are potential N. H. S. members are urged to compete. Interested eligible seniors must take the Preliminary Scholastic Aptitude Test, and must indicate on the P. S. A. T. answer sheet their desire to apply for

a National Honor Society Scholarship. The Senior High School faculty Christmas party will be held at O'Connell's Kingston House on December 20, at 6:30 p.m. A banquet will be followed by dancing, and Santa will be on hand to pass out gifts.

The committees consist of Mr. Edgar Hughes, General Chairman, Mr. Gerald Stinson and Mrs. Theresa Rutkoski, Reservations, Mr. Kenneth Kirk and Miss Emma Engler, Programs, Mrs. Louise Prothero, Gifts, Mr. Lester Lewis, Music, and Mr. Arch Austin, Santa. The toastmaster will be Mr. Robert Dolbear, and Dr. Mellman will present a short Christmas greeting.

Two display cases in the first corridor were very cleverly done by Miss Morris, the school librarian. Several new books were arranged, each relating to some phase of World History. Students should take close notice of these books since they will come in very handy for term papers and reports.

The display case in the second corridor done by the Art Department, gives a very festive Christmas air to the hall. Many different styles of Christmas cards done by art students were arranged, and several styrofoam balls made into Christmas beads were hung from the top. The total appearance is very pleasing.

Chorus Concert — One hundred and fifty voices will be heard when the high school chorus under the direction of Miss Louise Ohlman, will present its Christmas Concert, Thursday evening, December 13, at 8:00 p.m. Donald Anderson will read the Christmas Story from the Bible. A piano and organ duet will be offered by Marsha Sowden and Richard Ratcliffe. The band, directed by Mr. Lewis, will play four Christmas selections. Solos will be sung by Gloria Dolbear and Paul Scott. Dianne Duffy and Margaret Lawson will sing a duet.

There will be no charge for admission. The public is invited to attend and join in the spirit of Christmas through music.

We are happy to report that two of our faculty members, Mr. Hughes and Mr. Hontz, each shot a deer the first day of the season. Congratulations, dear teachers! "You should have seen the deer I almost shot."

### LAKE-LEHMAN HIGH SCHOOL

MARILY WOODLING, EDITOR

Lake and Lehman Women's Clubs chose Misses Jane DelKanic and Alana Mater as girls of the month. The girls were chosen for religious convictions, scholastic ability, and leadership. Their parents and clergy were invited to the Christmas party held in their honor. A bracelet with their name and date was given them as a gift. Sometime during the remaining school year each club will choose one more candidate.

Future Homemaker's of America was heard from the not-so-successful hunters. Better luck next year, boys.

X-rays — Sophomores will have chest X-rays taken this week. Forms have been sent to their parents. These must be signed and returned to the school before a student can be X-rayed.

A group from Mr. Evans' Social Studies Department will have a panel discussion in assembly this week. The topic is: Should local telephone service charges be increased in order to eliminate the 10 cent message charge on all calls to Wilkes-Barre and Kingston. Robert Letts, David Ryan, Bruce Hopkins will present their views on retaining the present toll charges. Marleen Futch, Peggy Jordan, and Linda Davies will express their views on eliminating the 10 cent charge and accept the increased local service charge.

The Commonwealth Telephone Company entertained the six panel members at a luncheon at the Irem Temple Country Club last Thursday.

Two of our teachers, Miss Jenkins and Mr. Brobet, attended a Physical Education Convention last Thursday and Friday. The convention was held in Allentown.

Alfred Camp, William Morgan, Gerald Stinson and William Moran of the Dallas Faculty completed the teacher-training course. Individual, family, and community practice. The course was offered by the Department of Public Instruction and was held at Coughlin High School.

Mr. Michael Beky, Moderator for the S.N.E.A. at Kings' College, was present at the Future Teachers of America Club meeting December 3. Mr. Beky brought with him Thomas Brogan, English major; George Mac-hinchick, English major; James Kol-mansberger, language major; Joseph Lewis, biology major; and Joseph Vannucchi, language major. These students spoke informally to the F.T.A. about college life and habits. The club also held its formal initiation of new members.

Mr. Gerrity, music director, organized a quartet of girls selected from the chorus to entertain at the P.T.A. Meeting last Monday. The girls, Marsha Thomas, Cheryl Thomas, Melanie Graham, and Ellen Harris, sang a medley of Christmas Carols. Bob Andrews, accompanied them.

Rules for decorating the Lake-Lehman High School, as made by the Student Council, have been given each teacher and homeroom. Decorating for the Christmas season started December 7, and will continue through December 18. Lake-Lehman will not have a long Christmas vacation this year due to the late start this fall but its gaiety will not be lessened by this.

The high school building project is progressing steadily. It is predicted that the gymnasium will be completed by January 1. Contractors have begun laying the floor, this will take approximately two weeks.

### Boy Scout Christmas Party December 19

Harveys Lake Boy Scout Troop 331 will hold its Christmas party December 19, 7:30 p.m. at Harveys Lake Rod and Gun Club. Safety merit badges will be presented, result of a trip to Wilkes-Barre City Hall Traffic Court, guided by Charles Murphy, and attendance at a talk by Thomas Garrity at the Lake school.

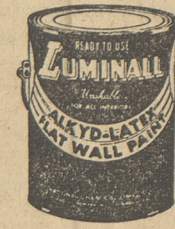

Tenderfoot Scouts will be William James, Kendall Rauch, William Jennings, Michael Glova, Frank Schreiner, Lewis Laning, and George Casterline.

Arthur West is Scoutleader. Thomas Smith assistant. Mothers will bring refreshments.
