

CROWN IMPERIAL LANES

BOWLING NEWS

BY DORIS MALLIN

Off again! A new year and a new bowling season for many of the leagues at Crown Imperial Lanes. I am back with the column after a two-weeks' lapse, due partially to the lack of news with many leagues off for the holidays. We, at The Dallas Post, have suffered a great loss during this period with the passing of Howard W. Risley, our good friend and editor. For the past few years, Mr. Risley has left space available for news of bowling events of this area and the spot is there to fill.

There is much to catch up on and I will try to fill in the happenings of leagues that have been active during the past weeks. First, I'd like this opportunity to wish everyone a Happy and Prosperous New Year.

Dallas Opens With 57-40 Win

21-Point 3rd Period Paves Way To Victory

Dallas Senior High hoopsters opened their North League campaign Tuesday night with a 57-40 win over Central Luzerne Jointure, using a 21-point surge in the third period to win going away.

With Gauntlett and Lets combining for 34 points, and both playing a strong game off the backboards, Dallas notched its 7th win in eight games.

Cobb, Martin and Sinirope completed the scoring but it was some fine ball-hawking on the part of these three that set up numerous baskets by the Mountaineers.

Losing many scoring chances because of poor ball handling, Dallas held a 13-5 lead at the end of the first quarter, and by halftime, built up a 10-point margin 29-19.

Gauntlett tossing in 10 points following intermission, Dallas took a substantial 50-29 lead into the final period, but with coach Clint Brobst clearing his bench, Central outscored the reserves 11-7.

Sports Editor's Note: Due to work scheduling the Post has been unable thus far to give a coverage on exhibition games played by the Dallas team, but is pleased to announce that, through the aid of coach Clint Brobst, Howard Dymond will give complete coverage of the teams' North League schedule.
