#### DALLAS JUNIOR WOMAN'S CLUB SCHOLARSHIP

A \$200 one year scholarship, sponsored by the Dallas Junior Woman's Club, will be given to a worthy student of the 1963 graduation class of the Dallas Senior High School. The continuation of this award year after year is subject to the annual approval of the Junior Woman's Club. This scholarship is to be awarded according to the following rules:

1. This scholarship will be awarded to a student to further his or her education on the basis of general ability, good citizenship and need.
2. One hundred dollars is payable to the recipient at the beginning of the first semester following graduation from high school. In the event the recipient is unable to accept the scholarship, he or she will notify the Junior Woman's Club by letter and the scholarship committee will review the possibility of awarding it to an alternate. If the student accepts the scholarship and then for any reason withdraws from school, the unused portion of the scholarship money shall be returned to the Junior Woman's Scholarship Fund.
3. Payment of this award will be made to the institution of higher learning after proof has been submitted to the Junior Woman's Club that the student has been accepted and enrolled. The student will see that the institution mails a letter to the Junior Woman's Club and to the High School Principal certifying to this information. More information may be obtained from the office.

On Tuesday, January 8, a pep rally was held in the gymnasium during the seventh period. The wrestling team, as well as the basketball team, was honored by the students in a very lively cheering session headed by the cheerleaders. Dallas Wrestling Team has a fine team this year under the coaching of Mr. Alan Husband. The boys have

been victors in all of the four meets so far this year. They beat Benton, 32-14, Tunkhannock, 24-22, Hanover, 31-25, and Plymouth, 39-13. We are very proud of this team, and have high hopes for the rest of the season. The next meet scheduled is with Kingston on January 16, 1963. Another team to be congratulated is the boys basketball team. They showed Central-Luzerne their skill during the game on January 8, 1963, which ended in a score of 57-40. We are sorry to report that they did much better than the faculty who played the New York Harlem Satellites on the preceding Friday. Members of the faculty team did, however, show the tricky Satellites a fine fight. Included on the team was Mr. Brobst, Mr. Kozick, Mr. Fossedal, Mr. Hontz, Mr. Cathrall, Mr. McCutcheon, Mr. Sulkoski, Mr. Stinson, Mr. Morgan, and Mr. Palermo. Mr. Dolbear served as coach. It was a very amusing game thoroughly enjoyed by many.

While in the field of sports, the first girls basketball game has been scheduled for January 16, 1963, against Kingston, also boys' intramural basketball has begun. Teams were selected by Mr. Brobst. This is a good way for anyone interested to learn and practice the sport. Girls' intra-murals have started, teams will be arranged according to homerooms.

On January 10, 1963, The Future Homemakers of America were honored at their meeting by Dr. Robert Mellman, who is an honorary F. H. A. member. A special program was presented, in which the girls spoke on their individual purpose of being members. Past projects and the success of each, were also discussed. After the closing of the business meeting, refreshments were served.

Three Dallas students have been chosen to attend District Chorus. They are Gloria Dolbear, Ruth Tinsley, and Stephen Green. We will be proud to have them represent the school chorus.

A dance, sponsored by the Seniors, will be held in the high school cafeteria on January 19, 1963, from 7:30-10:30 p.m. Much fun can be had if everyone attends.

Mrs. Prothero, in charge of the Yearbook, has announced that orders will be accepted after January 31st. It may be of special interest to those boys taking the vocational course that Auto Mechanics are in demand these days. The Tilden Firm in Newark, New Jersey, hires young men straight out of high school at \$55 a week, "band boys", but prefer those with vocational training or experience (and pay more for it.) A good example of this is Bernie Stoner, who started as a helper at the age of 14 while attending Westmoreland High School. He attended Penn State, quit to work in a garage,

Mr. Maciak, high school physical education teacher, will supervise the Ralph L. Shanno Memorial Heart Contest which will be held Saturday, March 30. Any senior high school student wishing to participate must write an article concerning heart disease. First prize will be \$100.00, second prize \$50.00 and ten third prizes of \$25.00.

A Showboat Minstrel will be held at Irem Temple, 52 North Franklin Street, Wilkes-Barre, Monday, January 28, 1963 at 8:00 p.m. The affair will be a benefit of Luzerne County Mental Health Association. Tickets may be purchased from Mrs. Dorothy Steele at the Lehman Elementary Building.

Last night the Ross Elementary School conducted open house from 7:30 to 9:30 p.m. On January 22 the Lake School will hold open house; January 30 the Lehman School; and February 6 the Noxen School.

Mrs. Moledor, school nurse, attended the School Nurse Sectional Luncheon Meeting January 5, at the Sterling Hotel. Doctor Mellman, Superintendent of Dallas School District was guest speaker.

Lake-Lehman Juniors will begin preparation for their annual class play to be held March 15. Edwin Johnson, English and Guidance

Teacher, will direct the play. Future Homemakers of America Club will hold an informal initiation in the near future. Joan Darby, president of the club, also suggested a scrapbook for the new point club.

Executives of the Journalism Club are planning a banquet for all journalism clubs of the school. Senior journalists will be honored and all new positions in the club are to be announced at that time. A time and date has not yet been decided upon.

A new bulletin board for guidance and general information has been installed outside the main office. Permission to use this space must be obtained from the office.

Band members were measured for new uniforms by a representative from Penn Garment Company last Tuesday. These uniforms should be ready in time for the spring concert.

Until the wrestling room is completed, wrestling practice will be held in the high school cafeteria under supervision of Mr. Longmore and Mr. Zaleskas.

Jay Ruckel, sports editor of the "Crusade," was chosen by Miss Huttenstein, sponsor of the Journalism Club, to cover all of the Lake-Lehman basketball games and wrestling meets for the Dallas Post.
