

Church League Playoffs To Start; Harveys Lake Finishes Undeclared

Saturday the league will begin its initial round of playoffs at Dallas Senior High School. Harveys Lake, with an unblemished 10 to 0 record, will be out to maintain their clean slate. The schedule is as follows:

7:00—Huntsville vs. Chavertown.
8:00—St. Therese's vs. Harveys Lake.
9:00—East Dallas vs. Prince of Peace.

In last Saturday night's action St. Therese's lost by forfeit to Prince of Peace when the Saints couldn't field five men of the floor. In the second game of the evening Huntsville Christian took the measure of Harveys Lake 54 to 48, and in the final game Harveys Lake won by forfeit over East Dallas when an ineligible player was used by the East Dallas club.

won over Shavertown by the score of 54-48. For the winners it was their height that finally decided the contest in the last quarter. The game was nip and tuck, and it was anyone's ball game till the last quarter. Fossedal, Dietz and Kozick played a fine offensive game, and were given much support by Hontz and Charlie Brobst.

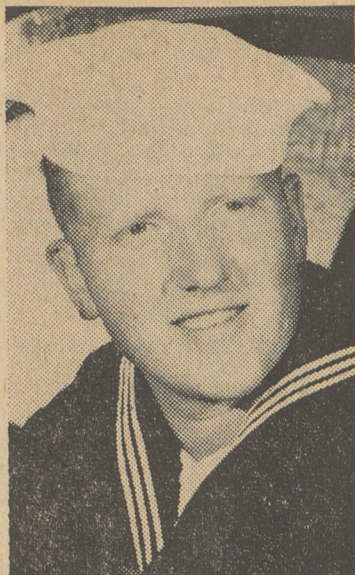

For the boys from Shavertown, R. Hontz and Rome did outstanding work but couldn't overcome the offense of the Huntsville club.

Back Mountain Memorial Library Lists Recently Purchased Books

Mrs. Albert Jones, acting librarian, releases a list of books added to the adult section of the Back Mountain Memorial Library during January and February, and a list of books purchased by the Book Club. Readers who enjoy trial stories may quail at the length of Adela St. John's biography of her father, the late Earl Rogers, but they will be unable to abandon it, once started. The material is personal reminiscences of a man who developed the technique of cross-examination to the Nth degree.

Cornelia Otis Skinner is up to her usual form in "Elegant Wits and Grand Horizontals".

For historians, P. A. W. Wallace has developed the part that Pennsylvania has played in the growth of this country in "Seed of a Nation".

Upfield fans will find "The Body at Madman's Bend" a good whodunit, with their favorite sleuth aborigine-ing around like anything, and of course "finalizing" his case.

Here is the complete list of books for adults:

Cyclone Carry, Carleton Beals; Final Verdict, Adela Rogers St. John; More Lives Than One, Joseph Krutch; Land Where Our Fathers Died, Marion L. Starkey; PT 109, Robert J. Donovan; Coronation, Paul Gallico.
