This is your fire department and everyone should support it. Money collected through the coin cards will be used to purchase additional fire fighting equipment. The very presence of the fire department in our Township is reflected in the lower insurance premiums which all of us pay.

In talking with quite a few of our citizens this week I found that most of their time has been taken up in digging themselves out from the recent heavy snow fall, (and I can include myself among them as that 100' driveway of my mine keeps me

plenty busy,) with the result that they do not have any news to report. I also found that many others are engaged in making out their income tax reports which are due on April 15th. I wish I had mine completed.

MAIL TROUBLES
 Complaints continue to come in concerning mail service in this area. All this has come about since Wilkes-Barre took over several years ago. Much of the mail is now sorted in town and given direct to the carriers.

The sorting process, done by men who do not know our people and substitute carriers, unfamiliar with residents and their families, tend to foil proper and prompt delivery, something which we never had under independent status.

Will this continue or are you interested in doing something about it? Letters addressed to this column will receive prompt consideration. Let's hear your opinion.

FIRST GRANDCHILD
 One of the proudest couples in town this week are Ted and June Bennett. Mrs. Gary Bligh, Corona, Long Island, eldest daughter of the Bennetts, presented them with their first grandchild on Sunday, a boy. June will leave today to meet her new grandson and help out in the Bligh household for several weeks.

Because we are proud of the job our ambulance crew is doing, we think you should know who the volunteers are. The following are the men who serve from your community:

Trucksville — Robert Shoemaker, Carl Loucks, James Gordon, Willard Bullock, Robert Bullock, Ogden Palmer, Albert Hawke, Edward Johnson, William Long, Asher Weiss, Allan Nichols, Sheldon Bennett, Lowther Brown, Sam Dilcer, Sherman Harter.

Carverton — Donald Platt, Richard Prynny, Willard Platt.

STAR PLAYER
 Trucksville may be proud of Robert Letts, son of Mr. and Mrs. Justus Letts, Stafford Street, who was selected as a member of the All Stars Basketball League last week.

Sincere sympathy is extended to Dorman Schooley and Mrs. Jacob Novicki and their families in their recent bereavements.

We were happy to hear that Theda Hoover is home from Nesbitt Hospital and wish her complete recovery from her recent illness. Her

Don't call us... we'll automatically call on you!

Some people think we consult a crystal ball before delivering heating fuel to their homes. "It seems," they tell us, "that just when our fuel supply gets low, your truck pulls up and the driver refills our tank."

Of course we have no magic methods—but we do have something better. We call it our "degree-day" system. It automatically tells us when to make our next delivery.

Providing extra services, like the "degree-day" system, is our way of competing for your business. Through competition we become better businessmen and you—our customer—are assured of finer petroleum products, and at reasonable prices.
