Attorney Mitchell Jenkins will be guest speaker at a high school assembly to be held May 1. The assembly is entitled Law Day, U.S.A. Supervising Principals met at the Lake-Lehman Area High School to conduct their business meeting last Thursday. Lunch was served at the high school cafeteria by Mrs. Ruth Stolarick and her homemaking department.

Mr. Ed Johnson, of the guidance department, announced that the Dallas Rotary Club is sponsoring two one hundred dollar scholarships for

seniors of the two Back Mountain High Schools. Letters of students participating should include personal data, scholastic and occupational experience, financial status, future education goals, and special honors and achievements.

Senior students were made aware of a \$25 award to be presented by the Lehman Township Fire Department to the senior presenting the best letter concerning "Support of Your Volunteer Fire Company." Each senior must write such a letter to be submitted and studied. The outstanding letters will be given the Fire Department so that they might decide upon the final winner. The winning letter will be sent to citizens of the community.

On Tuesday, April 16, fifty-one seniors from Lake-Lehman school took the P.S.E.S. aptitude test. The test was given at 9:20 in the high school cafeteria.

A program entitled "The Youngs' Magician Show" was presented on Wednesday, April 17. The show was sponsored by the Student Council.

Petitions for students planning to run for class officers for the 1963-64 term were circulated last week. In order to qualify for a class office a student must have a "C" average, and have the signature of six students and three teachers on his petition. Elections will be held in May.

Prom Reservations were made every day last week in the Student Activity room. The Prom, which will be held on Friday, May 3, in the gym will have as its basic theme "Moon River."
