Easter Is Over!

Mr. and Mrs. Fred Gabel, Chase, gave a sigh of relief when Easter came and went as up to this time they had officiated at the birth of approximately forty lambs and seven Black Angus calves. Two of the lambs were born on Easter, a calf on Good Friday; litter of four Persian kittens, also were born on Easter. In addition to a herd of Black Angus cattle and a large flock of sheep, the Gabels also keep a flock of geese on hand, which act as their watchdogs, and the geese too, started to hatch on Easter.

The Gabels sold quite a few lambs for Easter and will have another batch to sell off in a few more weeks.

Frank Anderson, President
Miners National Bank
8 West Market Street
Wilkes-Barre, Penna.

Dear Mr. Anderson:

I am writing this letter to express to you and the Miners Bank the gratitude of myself, the Council members and all the townspeople of Dallas Borough for the improvements the bank has made in our community.

We appreciated your confidence in our community when you enlarged your banking quarters and provided sorely needed parking facilities. The attractive landscaping has also helped to beautify our town.

Your newest addition, the time and temperature sign is a most welcome improvement. It is one more practical and attractive convenience in a long list of services offered by the Miners Bank.

We are well aware of the financial guidance and assistance which you have provided to the Borough Government and its residents.

These services have contributed largely to making Dallas the desirable residential area it has become. Thank you sincerely and hope we may continue to grow together.

Very truly yours,
Robert W. Brown
Secretary
