COMMENDATION FOR APPEALS BOARD
Kingston Township Board of Appeals is one group of young men who are doing a fine job, interpreting the law.

Their courtesy, concern and intelligent handling of some mighty disturbing problems have aroused much admiration among township residents.

Chairman of the group is Milton Evans, Shavertown; R. Spencer Martin, secretary and Richard Mathers, both of Trucksville.

Serving without remuneration, the group is setting a fine example of community service.

RECOGNITION FOR A TEACHER
Mrs. Rachel Porter, popular Shavertown Grade School faculty member who retires at the close of this term was honored again Monday evening by the PTA of the school.

IN PHILADELPHIA
Our prayers and well wishes go to our good friend and neighbor, John Clause, Pioneer Avenue, who entered Wills Eye Hospital for treatment on Sunday. John is one of the finest men it has been our good fortune to meet for this is one person who lives by the Golden Rule. His wife, Ida, accompanied him. We trust his stay in Philadelphia will be of short duration.

Mrs. A. J. Moreck left Monday morning for Washington, D.C., to spend some time with her daughter, Mrs. Russell Johnson and family.

NEW TEACHERS
Two local folks have joined the Dallas School Faculty. Mrs. Frances Klabe and Milton Lutsey will represent our town among the new comers on the staff next fall. Milton has been associated with Downington Schools, and has a fine record in Business Education.

Specialist 5, US Army Johnson Miers and family recently visited his parents, Mr. and Mrs. Johnson Miers, Perrin Avenue. Miers is stationed at Fort Monmouth, N. J.

Extra-cost options? Most of them come at no extra cost in the Riviera by Buick. Sure you can add a few things like power windows or air conditioning, but a Riviera is virtually complete as it is. Remember this when you start to compare the Riviera's price with some other cars that claim to be "just like a Riviera, only cheaper." Be sure to find out just how much of the equipment that's standard in the Riviera will cost you extra in these other cars. We think you'll discover the Riviera is one of the year's great car values.
