MARILY WOODLING, EDITOR
MARY ANN KUCHEMBA

The "Troubador", the school magazine, was distributed to the student body on Monday, June 3. Name for the magazine was suggested by Peggy Clarke, a seventh grade student at Lake-Lehman. Larry Lettice, a Junior, submitted the cover design which is a troubador from medieval times. Included are short stories, poetry, themes, and art done by students. Editor is Janice Niezgoda, assisted by Richard Maye.

On Thursday a special assembly was held for Memorial Day. Band played several patriotic songs including "The Star Spangled Banner." Members of senior chorus, under the direction of Mr. Gerrity, sang various patriotic songs which have become famous because of the periods of history when they were most popular. Included in these selections were "The Battle Hymn of the Republic," "When Johnny Comes Marching Home," "My Buddy," "Anchors Aweigh," "The Caissons Song" and "The Marine Hymn." Well known poetry and speeches from each war were read by students. Mr. Squier, supervising principal of Lake-Lehman Area Schools; Mr. Sutton, President of the school board; Mr. Marchakitus, high school principal; and Mr. Belles, assistant supervising principal, spoke to the students about the true meaning of Memorial Day. Program ended with several numbers by the senior class. This assembly was planned by Miss Huttenstine and Mr. Zaleskas.

"Moving Up Day" assembly was held Friday in the auditorium. At this assembly the Class of '63 officially relinquished their positions as Seniors to the Class of '64. Underclassmen advanced to the grade they

will be in next year. Junior Class presented each Senior with the class flower—a blue carnation.

Several members of the 10-2 English class attended a production of Rodger and Hammerstein's "The King and I" at the Little Theater in Wilkes-Barre where a special matinee was provided for high school students. Since the play was read as part of the English course, students appreciated the opportunity to see a "live" production. Accompanying the students was Miss Thomas, teacher of the class.

Jane DelKanic, President of the Lake-Lehman chapter of the Future Teachers of America, and Miss Jessica Thomas, sponsor, recently attended the Northeastern Conference of the Pennsylvania Future Teachers of America, which was held at Clarks Summit-Abington High School.

Recently members of the senior high library club traveled to New York City where they saw "The Sound of Music." Mrs. Landis, school librarian, is sponsor for the group.

Baccalaureate Services will be held in the school auditorium on Sunday, June 9. Rev. Wesley Kimm will speak on "Be Yourself". A mixed chorus composed of sophomore and junior vocalists, under the direction of Mr. Gerrity, will sing "I Believe" and "You'll Never Walk Alone."

Five members of the Journalism Club have been accepted at the High School Press Institute at Penn State University. Attending will be Pat Kanasky, co-ordinator of publications; Alan Landis, editor of the "Crusader"; Sandra Steele, editor of the Knight's Code; and staff mem-

Highway demolition continues with Bessie's Brace's former coffee shop and the Coal-O-Matic building down. Donald Bolton purchased the coffee shop. It certainly improves the appearance of the highway to have the old structures removed. The burning of all refuse is also to be commended.

It seems hardly possible that his year in Taiwan has ended and Fred, Jr., should now be in Japan. Our last word indicated he would sail last week to visit another oriental country. From Japan he hopes to obtain employment on a American ship so that he may be able to return the donation toward expenses which the Taiwan mission insisted he accept. Knowing the scope of the work and funds needed, he feels

every possible contribution should be given to those who have so little. How thankful we are that he was so well accepted and that a gracious Master saw fit to bless his efforts.
