**Fernbrook vs. Westmoreland**  
Westmoreland team bowed to an undefeated Fernbrook Monday of last week in a very tense game.

Winner moved ahead in the second inning when Martin singled, R. Belles walked, and Martin stole home. Then in the top of the fifth Dover put Westmoreland back on the map with a homer, but Fernbrook came back strong in their half of the fifth when Prebola got on an error, Williams walked, and Rome blasted a double off the left field wall.

Big hitter for Westmoreland was Perella, while Rome carried the load for Fernbrook with 2 doubles.

**Truckville vs. Lehman-Jackson**  
Next day the league's first position changed when Truckville beat Lehman-Jackson, putting undefeated Fernbrook in first place.

In the third inning, Cook got on on a fielder's choice and Sponseller followed with a double. Truckville came back strong, Rutkin singled, Harrison doubled, and Williams walked.

Then after a fielder's choice, Williams scored the go-ahead run. But Lehman, not giving up so easily, came back with Gale singling and Keating hitting a home run over the right field fence.

Truckville followed suit right off. J. Martin walked, Rutkin was on after a fielder's choice, Harrison was on after an error, and likewise Williams. Then Rosenberger singled scoring Rutkin and Harrison.

Lehman's big guns were Sponseller with 3 hits and Keating with a home run.

**Dallas Women To Visit England**

**Jean Duda And Mother Plan Family Reunion**

England will welcome three more visitors from Dallas shortly when Mrs. Peter Duda, Davenport Street, Billy, aged three and a half, and his grandmother, Mrs. Jennie Roberts, Spring Street, will leave for a month's visit to their native land.

The trio will fly non-stop to London on Saturday. They will visit friends and relatives in North Wales and England, including on their agenda sightseeing trips to Windsor Castle, Eaton College and the Lake District of North Wales.

This will be the first trip back home for Jean Duda since she and her mother immigrated here thirteen years ago. Mrs. Roberts returned in 1955 for a visit to her homeland.

The flight is being made under the auspices of the Anglo American Club, an organization of British born women. There are six local members. The group charters yearly trips to the British Isles.

The former Jeannie Roberts became the bride of Peter Duda, Dallas, eleven years ago. She is eager to make the trip, expecting to see many changes, for she left England right after World War II when the blitz had desolated much of the countryside.

**Ambrose Girls Meet Abroad**

**Annabelle To Visit Ten European Lands**

Annabelle Ambrose, daughter of Mr. and Mrs. Francis Ambrose, flew last week to England for a joyful reunion with sister, Sandy.

A Rotary Exchange Student in Holland, Sandy has been visiting the Lightwrights in England, friends of one of her Dutch families, the Hudigogs.

Annabelle is touring ten countries in Europe as a member of the Colgate Student trip arranged by Pennsylvania State University. She is a member of the sophomore class at Penn State and will return home on August 19.

The girls will go on to Holland where Sandy will be feted at a farewell party on July 21, by her Dutch friends. Sandy will sail on the Dutch liner, Groote Beer on August 21 for her homeland.

She will dock the same day as Attorney and Mrs. Jan Bergman of the Netherlands, who are sailing on the New Amsterdam for a three months visit to the United States. The Bergmans were Annabelle's first parents abroad and will spend some time visiting at the Ambrose home.

Red Ambrose, who is making a swift recovery from a recent back disorder, is looking forward to being in fine shape to welcome his daughters back home.
