Kitchens Take on New Beauty, Convenience

Busy mothers appreciate the many convenient features in an all-gas kitchen which are planned for maximum efficiency and a minimum of steps yet are nice enough to entertain in. Today's gas appliances are fully automatic and mother has more time for her family. According to Frank Petrosky, residential sales manager of the Pennsylvania Gas and Water Co., today's kitchen has made it one of the most popular areas considered for renovation by home owners.

Girl Scouts At Camp

The following Back Mountain girl scouts are spending two weeks at Camp Onawandah, Elaine Kuehn, Shirley and Dianne Reese and Doris Simms.
