By DORIS MALLIN

The time has come to put away that fishing pole, wash out your bathing suits and get those boats in drydock. Dig back in the closet and get out your bowling equipment. How about that ball? Feel right? Get up to Crown and clean it up-try it out a few times. See there! Just takes a little practice, you'll be all set by the time season starts. And, that's just three weeks off! If you haven't signed up, get on the "ball". You might still get on a waiting list and before long you'll be on regularly.

Tony's summer leagues are just about finished. Two more weeks to go. Everyone's had loads of fun and it's been good practice for most. The whole bunch will "blow off steam" at a big outing August 25 at O'Connell's Twin Lakes. Remember last year! Don't miss it!

Little has been written on the Party Leagues this summer. There's been a fine turnout and the lanes have been kept busy.
