

# "Three Cheers"

by Peggy Jordan

The 1963-64 athletic year has opened already for the Dallas Senior High School cheerleaders. Under the sponsorship of Miss Emma Engler the following were selected as Varsity and Junior Varsity cheerleaders. Susan Cheney co-captain; Gail Hughes, Jeri Jordan, Peggy Jordan, Susan Kitchen, Nadine Kuderka, Georgia McCutcheon, co-captain, Patricia Sickler, Sheryl Stanley, Linda Woolbert. Junior Varsity cheerleaders are Pat Cully, Captain; Pam Cully, Joyce Hughes, Jackie Gruver, Pat Martin, Tommye Morris.

Last year the cheerleaders ended their year of cheering by having the honor of cheering at the All-Star Dream game which the North League won. We expect to have a very successful year of cheering.

## ON RELIGION IN AMERICAN LIFE

"It doesn't matter whether we are in elementary school, junior high, high school, college or are out working—the thing that determines our real happiness in life is, very simply, our faith in God, and the growth of that faith."

## Football Prospects In Dallas School Good, Says Coach Brominski

by Kathleen Miller and Martha Messick

Shown above is the 1962 Championship Football Squad. Thirty-two of last year's members have returned this fall. Included in these are thirteen seniors and nineteen juniors.

In a recent interview with Coach Edward J. Brominski he stated that the prospects of the gridiron squad for the coming season are good. He feels that they may even repeat last year's championship season.

His reasons for this optimism are: First, the loss of only ten Seniors from a squad of forty-three players. Seniors who left were: Donald Andrews, Robert Ashman, Willard Bullack, Robert Letts, Sterling McMichael, Arch Paltrinieri, Paul Siket, Gary Smith, Delbert Voight and Robert Decker; secondly, the return of thirty-two members of last year's squad which includes thirteen Seniors and nineteen Juniors. Included among these are ten lettermen: Incoming Seniors John Farley, Howard Dymond, Michael Jones, Joseph Noon, Thomas Kerpovich, Carl Kashenbach, William Swartwood, Allan Harris, Charles Lockard, John Brominski; also Walter Prokopchak, incoming Junior.

Practice started August 19th, and the squad has been working daily from 9 A.M. to 12 noon, and will continue practice daily at this time until school starts. Practice consists of the basic fundamentals, and will be followed by scrimmages with Plains and Meyers in preparation for the start of the season with the opening game at Plymouth, the evening of September 20th, under lights.

Coach Brominski is capably assisted by Louis Palermo, Senior High School Faculty; and George Dombek, Junior High School Faculty Member.
