How to accumulate money on the installment plan?

With a face-amount installment certificate, you can systematically accumulate sums of money over 6, 10, 15, or 20-year periods. You can obtain a free prospectus-booklet describing how these certificates make lump sum or installment payments available to you at maturity. Single payment certificates are also available; ask about certificate payment completion insurance.

A practical approach to Life Insurance needs? Your financial plan for your family's needs should include sufficient life insurance. Talk to your "Investor's man" about life insurance designed to fit in the family financial program.
