## Who Started This Thing Anyhow?

With all this hurrah about excluding the Bible from public schools, what is going to happen to the recently inserted phrase in the salute to the flag? "One nation, under God, indivisible, etc.,"  
 Do we now jettison God from the oath of allegiance? What goes on, anyhow?

Put on a purely cultural basis, can anything in the English language compare with the sonorous phrasing of the Psalms?  
 Are we going to cheat our children of their background of beauty and spirituality in the name of freedom of worship?

Must we consider Christmas wholly on the Merry England basis, thrusting the Babe in the Manger out into the cold, and becoming more and more commercial as we smother the Child's heavenly presence under crackling gift-wraps and tinsel ribbon?  
 Can any possible good be done by ostracizing a Supreme Being from everyday life? from the minted coins which are legal tender? from the invocation used in Congress?

Who started this thing? And WHY?
