The Curtis Magazine Drive which started October 10th was greeted with great enthusiasm by students. The students, as it was anticipated, have gone out and sold many magazines in order to reach their goals and to win certain prizes. The mascot, indicating highest daily sales in classrooms, has been moving from one homeroom to another. That homeroom which has the highest percentage of magazines sold at the end of the contest will keep the mascot. Funds will be used to help finance the Student Council Christmas Dance.

On October 5, the Dallas Key Club Drill Team, Keyettes, Junior High School Drill Team and Colorettes, marched in the Dallas Rotary Fall Fair at the Lehman Horse Show grounds. The marching units performed in the morning parade and also in the evening show. They made a very fine showing.

Dee Dee was presented with an assortment of long stem white roses and other flowers, a bracelet as souvenir, and gift certificate for merchandise.

Dallas Junior High School News

by Nancy Crispell and Roy Supulski

Our dance on Friday night was a big success and everyone had a lot of fun. We would like to thank the chaperones, committee, and all those who helped make the dance so much fun.

This year the student council is trying something new. A student host and hostess are assigned to each dance. They provide food and flowers for the teachers. We're really taking care of the old girls this year, but if they keep it up with the twist we'll be supplying wheelchairs too!

Whew! There have been many sopping brows in the school this week. Our physical education teachers have been answering the call of President Kennedy. Both teachers are running us through military

drill, marching, and calisthenics. It wouldn't surprise us to take a fifty mile hike next week.

On Saturday the Junior High School Drill Team and the Colorettes went to Renovo, Penna. to parade in the Flaming Foliage Festival.

The Dallas Junior High School Falcon football team was defeated by Tunkhannock on their opening game of the season 7-6. Dallas scored in the first period on a pass but failed on the attempt for the extra point. Tunkhannock scored in the final period and made their extra point.

The swell-headed eighth graders have been walking around school with a 6-0 victory over the second string freshmen.
