**Public Notice**

The following ordinance will be acted upon at the regular meeting of the Kingston Township Board of Supervisors to be held in the Township Building on November 13, 1963 at 8 p.m.

An Ordinance amending an Ordinance heretofore passed prescribing the requirements for the laying of pipes, water mains, gas mains and service mains in and leading from streets in Kingston Township.

**BE IT ENACTED AND ORDAINED** by the Supervisors of Kingston Township in regular meeting assembled, and it is hereby enacted and ordained by authority of the same, as follows:

**SECTION 1.** Section five (5) of the Ordinance dated March 13, 1963, prescribing the requirements for the laying of pipes, water mains, gas mains, and service mains in and leading from the streets in Kingston Township is hereby repealed, and in place thereof there is hereby substituted the following:

**"SECTION 5.** All shut off valves for water mains and gas mains, and branches, may be installed within the limits of the highway right-of-way lines. All shut off valves on service lines and other pipes shall be installed outside the highway right-of-way lines."

**SECTION 2.** The said Ordinance, as above amended, is hereby re-enacted.

**SECTION 3.** The said Ordinance as amended and hereby re-enacted shall become effective on the 18 day of November, 1963.

**LaROY ZIEGLER**  
 Chairman.

**ATTEST:**  
**EDW. E. RICHARDS,**  
 Secretary.

**NOTICE**  
 Most of us are familiar with the extended drought throughout the Eastern United States and that communities have been curtailed in the use of water.

The Dallas Water Company is not in the position of suffering a water shortage. State Authorities have asked the cooperation on everyone's part in the conservation of water until the end of the drought.

Your cooperation on the above will help everyone and will be appreciated.
