dow to ascertain the cause of the barking, they saw the lawn and branches of pine trees surrounding their home in flames. Scampering out, they turned on the lawn hose which they had kept connected during the forest fire threat, and with the use of an Indian water tank, managed to put out the fire before it reached their home. They were so excited and busy putting out the fire that they forgot to call the fire department. Mr. Pollock said his dog was only a mongrel, but he had earned himself a home forever, and needless to say, the dog enjoyed a dinner of beefsteak that evening.

**HAPPY BIRTHDAY**

George Rogers Jr., Leonard H. Ide and Evelyn R. Weaver and also a Happy Birthday to Lee Wentzel.

We are having summer time again, the flowers are in bud and many folks have Easter lilies in bloom. But who will complain not me as I would like to have this weather all year around. We will think about this lovely weather this winter when we are shoveling snow.

Many thanks to the young man who took time out after doing a day's work at Whitesell's. Coming home from a W.C.T.U. meeting the other day, on 118 Route, I had a flat tire. This young man came along and offered his service. We all were so thrilled and want to thank Mike Castellain from Sweet Valley. The world is not a bad place to live in when there are still young men like this one.

Bert Sutton is a patient for operation in the General Hospital.
