**Carverton**

People sometimes say, "It's nice in the country — in the summer time" as if one were doomed to being holed up with the sheep and cattle and smoked ham in the winter. But we've found that when deep snow comes the highway department feels a responsibility to get the school buses and the mail carriers moving very soon. So the transplants up on the Carverton who passed away last week at his home at Dimick. He was married to the former Emma Dienstel, also a native of Stull.

hill will be able to see as good scenery this winter as anybody in town, to say nothing about the coming of Spring.

In talking with Carol Sutton, who has been the organist at Carverton for some time we recently learned that she is now the organist and choir director at Bethesda Congregational Church in Edwardsville. That is the church where "our" Chucky Jones was serving in the same capacity until he left for Seminary. Carol was always willing to help us out over here at Mt. Zion, and also in special services at Valley Crest.
