**Catch Deer Poachers
Hunting With Light**

State game wardens caught three men in two parties violating laws hunting deer in Loyalville and Fairmount Township, with artificial light early Sunday morning, and a total of \$1,036 in fines was collected. Admitting to killing a five-point buck and a doe, and shooting at another were: James Brown, Harveys Lake RD 1, and John Smith, Main Street, Noxen; they used car headlights. Samuel Vanchiere, New Brunswick, N. J., was caught near Red Hill running deer with headlights, in possession of a shotgun. Both Brown and Vanchiere have had previous game violation convictions.

Antique Store Moves

Antique lovers who have driven to Evans Falls to deal with Robert Foote, will be delighted at his move to Beaufort, half the distance.

Mr. Foote has purchased the former Stone store in central Beaufort. He and his associate Mr. Varner have already moved most of their stock to Beaufort. Today, Friday, and Saturday, they will sell off what has not been moved, at the original location in Evans Falls. Good chance for residents who annually give antiques to the Library Auction to replenish their stocks in preparation for next July.
