Last Friday's dance was really a lot of fun. The disk jockey kept everything going at a fast pace and made the dance a big success. Thanks to the P. T. A. for the swinging good time.

On Monday Miss Vas Korlis came to school... what we thought was the driver training car. Later we found out that the sign read, "Just Married." Miss Vas Korlis is now Mrs. Sam Cooper. We wish them happiness.

On Wednesday, we had an assembly. A movie entitled "The Dew Line" was shown. It concerned the radar installations along the Arctic Circle.

Last week our seventh grade students ran around like a bunch of scared mice. Their achievement tests were given during the week.

We are happy to see Mr. Brominski back in school during the afternoons. Up until now he was spending his afternoons on the Senior High football field.

Everyone is really elated this week over the prospect of a two day vacation. We wish everyone a Happy Thanksgiving.

The Dallas Junior High football team finished its season by losing

to Clarks Summit 13-6. The game was played at Dallas before a cold but loyal crowd. Clarks Summit scored in the first and last quarters, while Dallas scored in the last. This made the Falcon's record for the year 4-2. Speaking for the football team, we would like to thank Mr. John Cathrall and Mr. William Price for the time each gave.
