

Thomas E. Williams, 75 Dies On Thanksgiving

Services for Thomas E. Williams, 75, Harris Hill, Trucksville, were held Saturday morning from Disque Funeral Home, Dallas with Rev. Russell Lawry officiating. Interment was in Warden Cemetery.

Mr. Williams, who resided with his granddaughter, Mrs. Harold Rose, Trucksville, died Thursday morning in General Hospital, where he had been admitted two days earlier. He had undergone surgery three weeks ago and appeared to be improving when he was again stricken.

He had moved to the Back Mountain area following the death of his

wife, the former Ellen O'Shea, who passed away in 1931. He resided with his daughter, Mrs. Mary Elizabeth Meholic, in Shavertown and Trucksville until her death last year.

A native of Wales, Mr. Williams came to this country as a young man and was engaged in mining until retirement.

Surviving in addition to Mrs. Rose is another granddaughter, Mrs. Edward Makowski, Dallas. Also four great grandchildren.

Here's your comforting thought for today: the world changes so fast that you couldn't stay wrong all the time if you tried.

LUZERNE STORES PLAN GALA CHRISTMAS

Luzerne has long been a favorite shopping center for the Back Mountain residents. This year, as in many previous ones, plans are being made for another busy Christmas season.

The stores are displaying many unusual items and their prices are well in line and often below those featured by the discount houses in the area.

Parking space is adequate, since Luzerne Bank has provided a large area in the rear of the bank to accommodate shoppers.

Starting today, December 5, the stores will be open every night until 9.

As the Father hath life in Himself, even so gave He life to the Son also to have life in Himself. — (John 5:26)

We have but to acknowledge the fact in order to rejoice in the conviction that His life is within us; that it is constant and sufficient to fulfill our needs.

 The congregation has been holding services at Dallas Junior High School since September 1961. The church was granted a charter in June of 1962 and purchased property with the intention of building in October of that year.
 A building Committee was formed in April 1963 and has been working regularly in preparing plans to meet the needs of the congregation. Pastor Pillarella said, "I expect the church will move forward in faith upon completion of this campaign on December 15th. The response thus far has been a real joy."
