**Bags First Deer**

Richard Cross, 14, son of Mr. and Mrs. Victor Cross, Woodland Avenue, Dallas, proudly displays the splendid specimen he bagged the first day of deer season at Beaumont.

Hunting with his uncle, Thomas Cross, Richard was on his own when he spotted three bucks, one an albino, across the field. He fired at the albino but missed, his third shot bringing down the 150 pound, six pointer pictured above.

The young marksman plans to have the head mounted. This is his third year of hunting. He is a ninth grade student at Dallas Junior High School.

**CHRISTMAS MAIL**  
 (Continued from Page 1A)  
 Christmas cards for out of town delivery should be sent before December 15th, and those for local addresses should be mailed at least a week before Christmas.

The Postmaster also said he is most appreciative of the interest and cooperation shown by the mailing public so far, and reminds us that "Do It Now" is the slogan from here on in. Don't put off Christmas mailings, because this means that dreaded pile-ups will occur at the Post Office, causing unavoidable slowdowns in deliveries as the holiday approaches.
