

DALLAS Junior High NEWS

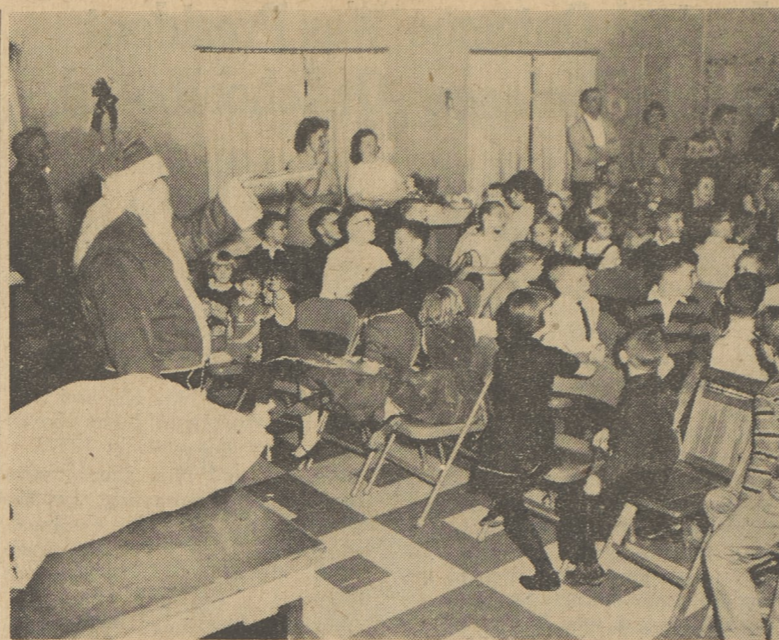

On November twenty-seventh Mr. Cathrall and Miss Richards surprised everyone by getting married. Our student body is like the Thanksgiving turkey. We go home over the Thanksgiving holiday to get fattened up and come back for the kill. Report cards are coming out Friday. Now that football season is over

Thief Gets Electric Drill From Gosart's

A sneak thief took an electric hand-drill from the display at Charlie Gosart's Appliance Store last weekend. The loss was not noticed until Sunday night. There was no sign of forcible entry. Charlie says the hand drill, though costly, was small enough to be slipped into a large pocket and smuggled out. Police are investigating.

the winter sports will soon be starting. For those interested in basketball, there will be intramural teams and limited interscholastic games. Wrestling is also offered with interscholastic meets.

Santa Arrives At Firemen's Party

Santa appeared early to distribute gifts at Shavertown Fire Hall as children of local firemen enjoy a Christmas Party Saturday evening at the Fire Hall.

Sponsored by the Ladies Auxiliary, the event was preceded by a covered dish supper after which games were played and Santa arrived riding on the fire truck.

A large tree, handsomely decorated, was donated to the group by Boy Scout Troop 231. Each youngster received an individual gift and a big chocolate Santa.

Spots The Whatzit

Mrs. Bud Mitchell, Kunkle, spotted the Whatzit in last week's Dallas Post as a tray of ice cubes.

Dallas Senior High School News

by Susan Kitchen

Last Monday, December 9, the band will present a Christmas Concert. Directors of the affair are Miss Ohlman and Mrs. Jenkins, Physical Education teacher.

Recently, the F. H. A. decided as their first project of the year to sponsor a Bake Sale on December 14th at the Acme in Shavertown. The money collected will be used to help defray the cost of a trip to Penn State University at the end of the year.

The second marking period ended last Friday. Report cards are due to be distributed in the home-rooms tomorrow.

Tomorrow at Assembly, the Annual Christmas program will be presented in the Auditorium.

Sunday, December 15, the chorus

beam of light. He also told us that researchers are working with lasers as a cure for cancer. It has already been found to aid eye defects in many ways. Mr. Lawry was introduced to the student body by Mr. Carr, Physics Instructor.

The opening of basketball season was celebrated with a Pep Rally on December 4th. Varsity and junior varsity cheerleaders participated in this peppy exhibition. Mr. Brobst the basketball coach, gave a short speech and introduced this year's players. All students wish the team a good season.

Dallas has certain reasons to be proud of its football team. Three reasons are: West Side Conference Champions, victors of 21 straight games, and the placing of five players on the All Star Team. Congratulations are extended to John Brominski, Michael Jones, Joseph Noon, Charles Lockard and Thomas Kerovich.

Members of the Key Club and Keyettes gave part of their vacation to work on November 29 and December 2, separating, boxing, and delivering clothing to families in our area. The remaining clothing was bagged and tied for delivery throughout the world.

Dallas Birthdays

Birthday greetings go to the following this week: Wilma Elston, Chuck Garris, Marion W. Harvey, Charles Mahler, Karen C. Harvey, Richard Owens, David H. Shaver, Ruth Edwards, Robbie Blase, Ann V. Stewart, John Carl Fleming, Ann Peterson, Richard J. Williams, Charles Fiske, Vern Groff, James B. Davies, 3rd, and Ralph C. Garris.

This endeavor was preceded by our Key Club delivering boxes of food to needy families for Thanksgiving. The boxes of food were prepared by the Ladies Auxiliary of the Dallas Kiwanis Club.

Captain Harold Birch, of the U. S. Air Force, visited our school last week and told of his experiences and the opportunities available for many students not contemplating college in the immediate future. Captain Birch explained the various training schools and college programs being offered to the young men who desire these opportunities.

Captain Birch is a graduate of our High School, and we look upon his achievements with pride.

Key Club members held a hayride on Saturday, November 30. Fifteen Key Club members and their dates marveled at the beauty of our area as they rode through the snow covered countryside under the light of a full moon. The group had light refreshments, and enjoyed dancing at the Mohawk Club after the hayride.
