Linda Barber, 11 year old daughter of Mr. and Mrs. Irvin Barber, Demunds, broke her leg in two places while skating Saturday, at Melody Park. She was taken to Noxen Clinic where it was placed in a cast. Talk about trouble? Her father has his leg in a cast since his recent accident, two in the same family on crutches. Earnest who had been in the accident with his father is coming along nicely; you can hardly see where all his stitches were, across forehead and nose. Linda will have to have her cast on for six weeks.

Correction on date of Pancake supper, sponsored by Men of East Dallas Church. It will be February 8; not December 8, as printed. Don't want people to think they had missed a good supper.

They have three children, David Jr., 7; Kimberly Ann, 4; Ricky, 6 weeks; who gave both "Grandmas" a royal welcome.

Mrs. Croman had often flown but it was my first trip and was quite spectacular. The plane was 1 1/2 hours late, then flew around and around overhead before it could land, on account of heavy fog. It was so bad that the plane could not land in Binghamton, so

quite a few passengers had to get off and were told they would be driven to Binghamton, by taxi or limousine.

We finally were allowed to board the plane, only to be held up another hour waiting for the fog to lift. From then on the trip was wonderful. Our visit was worth all the anxious waiting; but ended Sunday a.m., when we had a beautiful uneventful trip back home by plane, after a bitter cold 50 mile drive again to the airport.

Shavertown

The area really was snowbound on Monday evening. Every available jeep owned privately was called out by Lester Hauck to help out in the emergency.

The community was saddened during the height of the storm Monday afternoon when word was received of the sudden death of Harry Ell, Jr., a lifelong resident of the Back Mountain.

Heartfelt sympathy is extended to his wife and family and to Mrs. Gladys Pethick, Mrs. Violet Linskill and Delbert Ell.

The excellent recommendations heard throughout the area of our fire and ambulance staff should certainly help to fill those little slots on the annual coin card to be distributed Saturday.

The value of the white or yellow line in the center of the highway is appreciated, especially on foggy days and nights. The State Highway Department should have a center line painted on the road form Chase Corners to the Lake Silkworth Road.

It has also been noted that a dangerous condition prevails at Chase Corners when water running down the Larksville Mountain Road spreads across the highway at the corners making driving very hazardous and giving one a difficult time starting up at stop signs. The drainage system should be checked.
