Shavertown Pair Home After Fun In The Sun

Mr. and Mrs. Harold Ash, Shavertown, have returned after a ten day trip to Hollywood, Fla.

The couple who celebrated their wedding anniversary on January 14 were unable to get away at that time. They traveled by train, the trip taking 22 hours and Mae says it was most enjoyable.

While there they took in the sights with Walter and Wilma Elston, Kunkle, who are wintering at Hollywood and visited Mr. and Mrs. "Dud" Mathers at Deerfield Beach.

Another Back Mountain friend they called on was Wesley Himmier of Dallas, who was happy to have his daughter, Mrs. Alva Eggleston with him.

Harold came home with a beautiful tan, taking advantage of the nice weather to swim every day at the beach.

The temperature was ideal, ranging from 74 to 85 during the time they were there.

Duke Scholarship

Roger W. Hackling, a member of the senior class at Dallas Senior High School has won a substantial scholarship to Duke University, where he is enrolled for September in a freshman class of 1,000.

Roger, son of Mr. and Mrs. George Hackling, Kunkle, expects to make a career of the law, and is tailoring his courses to fit these requirements.

Since the fourth grade, he has attended Dallas schools. George McCutcheon, his guidance counselor, suggested application to Duke University recommending him highly. He is a member of the National Honor Society, and has been consistently on the Dallas Honor Roll.

WINTER WOES by Pinson

One day in his car, Joe B. Dew,
 (Dead wiper blades streaking his view)
 Ran into a bus
 And caused a great fuss—
 Which cost him some bucks (not a few)!

PREVENT THOSE WINTER DRIVING WOES
 The Safe Winter Driving League presents the following tip for better visibility this winter from the National Safety Council: "Be sure your windshield wiper blades are in good, live condition to prevent streaking. Arms should provide at least an ounce of pressure for each inch of blade length to sweep off snow, sleet and road-muck. You must see danger to avoid it."

JOTS FROM DOT

Written to her parents, Rev. and Mrs. Charles Gilbert, by Dorothy R. Gilbert, medical missionary in Leopoldville.

A BELGIAN WEDDING

Saturday we had a really big event. A Belgian girl who has been working for IME as secretary was married in the Catholic Church at Lukala to a young Belgian employee of the cement company at Lukalo (her father is a veteran employee of the company, that's how come she lived there). They had an high mass, which is quite unusual for here. It is the first high nuptial mass I have ever attended that I recall. The choir of Congolese men must have practiced for weeks. The singing of the actual ritual was all in Latin, and the music wasn't especially remarkable. The vows were taken in French, and the Epistle and Gospel were read in French. There were some other songs interspersed in French and Kikongo. The priest says that since the Ecumenical Council of Pope John, the services are held mostly in Kikongo, but of course this was a special occasion. Clemey (Clementine) wore a lovely knee-length lace gown and carried white frangipani blossoms. She is a beautiful girl and very nice, too. Besides doing secretarial work, she teaches French in the nursing and O. S. schools. She plans to come back to work after the honeymoon. It was very funny to see most of the Protestant ladies coming to church

Have Fourth Daughter

A seven pound, five ounce daughter, Teresa, was born to Mr. and Mrs. George Kasenchak, RD 5 Shavertown, February 3, at Nanticoke State Hospital. There are three other girls, Karen, Coleen, and Lynn. Mrs. Kasenchak is the former Irene Broski, Alden. Mr. Kasenchak is employed at the Chase Correctional Institution as an Infirmity Supervisor.

with hats on, because we know that it is required in Catholic churches at home and in Rome, but none of the Catholics wore hats! It is not the custom in Congo. After the wedding we were invited to the reception at the club, where we of IME had cokes to drink, and everybody had many little sandwiches. We were a little surprised (though relieved) that there was no champagne toast to the bride. The cement company presented the couple with an electric stove.
