S/Sgt. Leonard Stoner In Giesson Germany

Army Staff Sergeant Leonard S. Stoner, son of Mr. and Mrs. Paul C. Stoner, 118 Park St., Dallas, participated in Operation WINTER-TRACK, an 8th Infantry Division field training maneuver near Geissen, Germany, which ended late in January.

The exercise included all phases of offensive and defensive tactics under simulated battle conditions. The severe winter cold provided a thorough test for both soldier and equipment.

Sergeant Stoner, a section chief in Battery B, 5th Battalion of the division's 53rd Artillery near Baumholder, Germany, entered the Army in May 1951.

He is a 1950 graduate of Dallas High School.

NEED AUCTION ITEMS
 Couple's club met Saturday evening in the churchhouse with 23 members in attendance. Rev. Norman Tiffany led the group in prayer.

New members, Mr. and Mrs. Albert Sweitzer Jr., and Mr. and Mrs. Elmer Harris were welcomed at this time. Old business concerned the membership drive which is progressing nicely. Mr. Joseph Neizgoda contacted the light company and the new outside light has been installed and is appreciated by all.

Mrs. Henry Bergstrasser, entertainment chairman, contacted Mr. and Mrs. Walter Boyer who showed religious slides to the group which were most interesting. The club has made arrangements to go bowling next month on March 14, 1964.

New business revolved around the forth coming auction and Mrs. Willis Ide suggested we contact our neighbors for items to give the auction. Anyone having items to donate can call Albert Sweitzer Sr., NE 9-5367 for the Idetown area, the Henry Bergstrasser 674-3701 for the Dallas area and arrangement will be made to pick up the articles.

TIME OF CRISIS

It is indeed regretful that we lose an excellent secretary to the Board of Supervisors. Ed Richards did an outstanding job as anyone who attended meetings at the township building knows. His place will be hard to fill but a man, who is conscientious cannot tolerate the friction which certainly exists. All the supervisors will be equally sorry to see him go.

Progress must be made and when qualified men give their time in the service of their community it is imperative that they work for the good of all and in some sort of agreeable atmosphere. Any man, who serves his state, nation or community is bound to cope with misunderstanding, apathy and many times unjust criticism, but when accord fails to exist among board members, the situation can be most trying. A difference of opinion is sometimes necessary but when it goes beyond this point, the township and its people suffer.

I was really shocked to hear of some of the disturbing events which nearly caused the resignation of another member of our board. When one stoops so low as to intimidate the wife and children of a man, who has the courage of his convictions, it is time the public is made aware of it.

Come out to your supervisors meetings and learn at first hand just what is going on. Then do something about it. Politics can be clean and constructive. Any other form is a mockery of the constitution of this great nation.

HERE AND THERE

Another candidate for committee man has announced his intention of seeking office. Bob Jones, Lincoln Drive, tossed his hat into the ring last week. He will oppose Ted Poad, former tax collector.

The heavy snowfall found the children enjoying a holiday and in several instances their parents joined them. Mr. and Mrs. Roy Elliott got some good fresh winter breezes Wednesday when they took time out to sleighride with their youngsters and Mr. and Mrs. Frank Wadas and family took off for Elk Mt., Thursday to do a bit of skiing. Time spent with your boys and girls really pays off, and who after all, is more important.

Residents on Roushey Hill, Perrin Avenue and Mt. Airy Roads say the fine job done last year was not repeated last week in clearing snow from these streets.

Don Edwards has about decided to quit having birthdays. Every year on February 19, it storms and this year, Mr. and Mrs. Edwards were dismayed when a big snow fall arrived on the eve of the Roast Beef Supper at Shavertown Methodist Church. Unable to use their car they went on foot to the affair, working nearly all day helping prepare the food to be served.

Warren Reed, who has been following the Farmer's Almanac with interest this year says the forecasts of storms have been very accurate with the biggest one of the season due today. Where will we put it?

Bob Walp, son of Mr. and Mrs.

Ralph Walp, will celebrate his 22nd birthday today. Greetings and many more happy anniversaries, Bob.

Sister Margery Walp will leave this morning for the University of North Carolina with Mr. and Mrs. Thomas Gauntlett, Dallas, to spend the weekend at the college. Visit Tom, who is enrolled there and see the game with Duke University.

Mr. and Mrs. John Shadrach, Philadelphia, left for home on Thursday after spending some time with his sister, Mrs. Allan Johnson, Main Street. Her nephew, David Phillips, also of Philadelphia, has been visiting her over the past two weekends.

Frank Wadas, Jr. who observed his eighteenth birthday on Wednesday will enter Mansfield State College in the fall. Frank expects to major in Science.

Another young lady has her plans completed for next semester. Linda Woolbert will enter Susquehanna University following graduation from Dallas Senior High in June. She is the youngest daughter of Flossie and Ted.

Sincere sympathy is extended to Charles Glasser in his recent bereavement.

Joan Edwards sprained her wrist in a fall during the storm last week.

Mr. and Mrs. Albert Tondora are moving into one of the Van Campen Apts.

SIXTY SEVEN YEARS

I was very sorry to have missed the recent anniversary celebration February 9 of the Morris Lloyds. What a wonderful occasion for them. Sixty seven years of wedded happiness is hard to match and both are in fairly good health.

Mrs. Lloyd, the former Eva Ellis of Bloomingburg, N. Y., met her husband, a native of Brooklyn, when he came to live and work near her home. She vividly recalls that they were married on his 20th birthday which makes him 86 this month.

Son, Richard, lives with them and two other sons, Bert of Miami, Fla., William, Long Island, and two grandchildren complete their family circle. The Lloyd's have resided in Shavertown for the past six years having lived previously in Trucksville for two decades.

Our belated best wishes to you both.

SCOUTS HAVE DINNER

A delightful dinner party was held recently at the Parker home on Shaver Avenue when two young ladies took over for the evening meal.

Working on requirements for their cooking badges, Estelle Parker and Priscilla Kloeber prepared the entire menu Friday evening with Leader Mrs. Donald Edwards and patrol members, Susan Bucan, Susan Owens, Diane Alden, Judy Misson, Doris Sims and Mrs. Clifford Parker as guests.

Mrs. Edwards says they did a fine job. Her troop has earned 15 badges so far this year.

Miss Charlotte Martin, Lyons, N. J., was a recent visitor at the home of her parents, Mr. and Mrs. James A. Martin.

Brenda gets Dunked

Spring cleaning urges have been with me for the past few weeks and on Saturday I succumbed. Curtains came down in the kitchen and dishes off some of the unused shelves and right in the midst of the confusion we received guests and more visitors continued to arrive throughout the day. Not as much was accomplished as I had planned but the kitchen sure does look brighter.

To complete the cleaning influence, Fred and I decided to give Brenda Chimp her mid winter bath and although she wasn't keen on the idea, she didn't give us too much trouble and the hair dryer fluffed up her heavy coat and took away the chill following the dunking.

I never spend time with her without remembering another little monkey who became my friend, albeit scarred fingers might dispute that fact. Poor little Chi-Chi won't be with us this summer to swing about in her cage outside the Post for she died in December just one year after her beloved master. Temperamental as she could be, there was something likeable about the creature and when I am tempted to remove our simian to a zoo, I just cannot bring myself to transfer her from a home where she is happy and contented as Chi Chi was at the Post.
