The Yearbook

Several weeks ago, Robert Brown, general chairman of the Patrons Committee for the 1964 Dallas High School Yearbook, distributed forms to all seniors to obtain patrons' names, both business and private. Bob, assisted by Ronald Sinicropi, urges seniors to return patron forms as soon as possible so that names can be arranged in correct layout form in preparation for the yearbook.

Yearbook Committees are busily assembling all necessary materials for the 1964 edition. Miss Morris, Senior High School Librarian in charge of layout, has been meeting with the various committees in order to coordinate all assignment schedules distributed among the members. Beverly Eck, editor of the Yearbook, and Thomas Peirce, senior class president, are assisting her in supervising the work being done by the committees.

Miss Morris is planning to complete portions of the publication in March.

Although orders for the 1964 Yearbook have nearly exhausted the number to be sold, there are still a few available for sale. These can be ordered from Mr. Evans, in Room 2, during the daily activity periods.

LAKE LEHMAN High School News

by Mary Ann Kuchemba

An assembly presented by the Bell Telephone Company was held on February 26, in the high school auditorium. The Company representative, Mr. Lavery explained and demonstrated, with experiments, the use of "Laser" light rays for medical purposes and for communication. His experiment showed how his voice could travel through a light ray.

The cheerleaders, under the supervision of Miss Foley, received their new uniforms on Monday, Feb-

ruary 10. They consist of a black vest, with gold buttons, to be worn over a white long sleeve blouse, and a black pleated skirt with gold pleat inserts. Previously the cheerleaders have made their own uniforms. The group earned the money

to buy their new uniforms by sponsoring the Lake-Lehman sweatshirt sale earlier this year.

The senior Lettermen received their Letterman sweaters on Friday, February 21. The sweaters are black knit wool with a gold letter.

New furniture has been installed in the lobby of the high school. It consists of a desk, two Deacon's benches, and nine captain's chairs. All are done in Early American style and made of mahogany wood.

Lake-Lehman students, under the supervision of the physical education teachers, have begun practicing for a gym exhibition to be held March 13. The program will consist of tumbling, calisthenics with Indian pins, dances, and some stunts on the ropes, rings, and iron horse. The best students from each class have been chosen to participate in the exhibition.

The Lake-Lehman cheerleaders have been selected to represent the North League basketball All-Stars in the Dream Games to be held at the West Side Central Catholic High School Gym. Captain of the squad is Bonny Gennette and co-Captain is Pat Kanasky.
