

### Lake-Lehman Sets Registration Dates

Registration of kindergarten and first grade pupils for the September term will take place in the Lake-Lehman school district at these times and places:

Lake Township, Lake Building:

Monday, April 20, 10 a.m. to 4 p.m.; and Thursday, April 23, 10 to 5:30.

Lehman and Jackson Township, Lehman elementary building: Tuesday, April 21, 10 to 4 p.m.; Wednesday, April 22, 10 to 5:30.

Noxen: Wednesday, April 22, 10 to 4; and Tuesday, April 28, 10 to 5:30.

Ross: Thursday, April 23, 10 to 4; Monday, April 27, 10 to 5:30.

Children must bring proof of vaccination.

Parents of kindergartners must be responsible for their transportation.

Eligible for kindergarten, children who will become five years old before February 1, 1965; for first grade, children who will become six before February 1, 1965.

Parents are reminded that once a child is enrolled in public school, he becomes a part of the system, and is under the provisions of the compulsory attendance law.

### Lake-Lehman Band To Give Concert Friday And Saturday

Lake-Lehman's Prize winning band, directed by John Miliauskas, will perform Friday and Saturday evening in the Lake-Lehman High School. Story on the front page.

### Open House Planned For Tuesday At Tunkhannock GLF Plant

Open house will be held April 20 at a plant built in Tunkhannock by Cooperative GLF Exchange to blend bulk granular fertilizer to order in the "back yard" of farmers in a three-county area.

Visiting hours will be from 9 a.m. to 5 p.m. Two tons of fertilizer will be given away at drawings—one ton at noon and another at 4 p.m.

The plant's new fertilizer spreader, constructed by GLF for efficient spreading, will be on display.

The plant, which will supplement fertilizer service of GLF, is ready to swing into production to fill orders from a 30-mile radius

extending, roughly, north to New Milford, south to Dallas, west to Laceyville, and east to Carbondale.

Through GLF service agencies, farmers can get bulk mixes exactly as called for by soil tests, in their own trucks, or spread by the plant.

In many instances farmers should realize savings, due to rail shipments of granular fertilizer ingredients to the plant from producers in Florida, New Mexico and Canada.

Tunkhannock plant will blend granular ingredients in a two-ton capacity mixer for waiting trucks.

It has storage capacity for 1,000 tons.

#### IT PAYS TO ADVERTISE

A classified ad in the Dallas Post, asking for a woman to care for a semi-invalid, brought twenty re-

plies within two days, and made it possible for a patient to be brought home from the hospital.

### GLF BULK BLENDED FERTILIZER PLANT Tunkhannock, Pa.

## OPEN HOUSE

APRIL 20 9:00 - 4:00 P.M.

See what GLF is doing to provide you with the best and latest in personalized prescription fertilizer service and spreading.

Free gift for every adult attending.

Quality 10" Dial Thermometer with every bulk prescription fertilizer order placed during Open House (1 ton minimum).

Drawing of farmer's name at 11:50 A.M. and 3:50 P.M. for free prescription fertilizer and spreading service for 1 ton of fertilizer.

Trained Agronomists will be present to visit with you.

Plan now to attend.

#### WE'RE OPEN SUNDAYS

Open Mon., Tues., Wed. 9 to 6 — Thurs., Fri., Sat. 9 to 9

Don't call us...  
we'll *Automatically* call on you!

Some people think we consult a crystal ball before delivering heating fuel to their homes. "It seems," they tell us, "that just when our fuel supply gets low, your truck pulls up and the driver refills our tank."

Of course we have no magic methods—but we do have something better. We call it our "degree-day" system. It automatically tells us when to make our next delivery.

Providing extra services, like the "degree-day" system, is our way of competing for your business. Through competition we become better businessmen and you—our customer—are assured of finer petroleum products, and at reasonable prices.

### Lake Postoffice To Be Privately Owned

Bids for a private contractor to build and lease the proposed new Harvey's Lake postoffice to the government will remain open until May 22, according to last word from the Postmaster General.

The large vacant lot, owned presently by Lake Postmaster Roy Tyson, and located opposite Sandy Beach between Queen of Peace road and Schoolhouse (Loyalville) road, will be assigned by the government to the successful bidder.

Bidder will buy the land, construct it as per official specifications, and lease it to the Post Office Department for ten years, with option to renew the lease for an additional twenty years.

In other words, the Postoffice's capital outlay will be chiefly in equipment inside. Building will remain privately owned.

Postmaster Tyson told the Post some time ago, the volume of business the Lake postoffice at Alderson does now is often too much for the little office to handle.
