

Mount Zion

Last Thursday night Catherine resumed full-scale choir rehearsals for her three choirs beginning at six and ending at nine. I took her to the church for she wasn't driving yet.

Mrs. Ida Menhennet and Mrs. Howard Krum attended the annual share-owners meeting of the P.P. and L. on Monday April 20 at the Paramount Theater in Wilkes-Barre. They found it most interesting.

Ira Crawford of Sutton Creek and lately a resident of the Valley Crest Home died on April 22. He had been in poor health for some time and was advanced in years.

Last Friday night investiture ceremony was carried out for all three classes of Girl Scouts. There were 23 Brownies under the leadership of Shirley Swan and Joan King; and 24 Junior Girl Scouts with Mrs. Robert Winters and Mrs. William Williams; and Cadets with Mrs. Kenneth Coolbaugh and Mrs. Samuel Salus.

Mr. and Mrs. Ralph Swan and children went camping over the week-end at Mrs. Swans' mother's cabin somewhere off over beyond Red Rock. Mrs. Swan's mother is Mrs. Johnson of Trucksville.

Last Saturday I had my first cutting of rhubarb from the garden. Yum-yum it was good! Same date a year ago the same thing happened according to my diary.

We went to the Pops Philharmonic concert and as I looked around I didn't see anybody I knew. Then the Wilkes College Chorus came on the platform and there among the girls singing was our Carol Sutton from Carverton. Then Sunday afternoon Cathy and I went to an organ recital by Myron Leet in First Presbyterian church

and I looked around to see if I knew anybody. Right there was a seat and who was in it? Carol Sutton! So we sat down right there. Carol of course is an organ student at Wilkes.

We had a newsy letter from Mildred Jones (many people around Dallas Post country knew her as Mildred Snyder) who now lives over at "Joy Acres". She was interested in the fish worm gadget I wrote about. Who gave out with fish stories of her own. For instance, Mil caught a 2 1/2 lb. trout, 19 1/2 inches long. So proud of it that she froze it, then got it out to show anybody to illustrate her fish story. Recently she went down to her pond and caught 5 trout, all legal. The Jones have birds, among them a Towhee that comes every season. They have just finished setting out 2000 little larch trees up behind the house. Their daughter JoAnn is going into four 4-H projects, and daughter Judy is getting applications in to go to college in the Fall.

Phyllis Ann Seiple, a senior student at Nesbitt School of Nursing asked permission to use my name as a reference in an application for a position down in Harrisburg. I wrote a recommendation when she entered Nesbitt School of Nursing and it didn't seem to hinder her any!

Mrs. Russell Nielson from Carverton was over for a visit and inquiry as to our condition. I guess a correspondent for the Dallas Post would never put in the paper about a visitor bringing a fresh, warm cracker crumb pie,—cream pie. So I'll not mention about Mrs. Nielson doing that!

East Dallas

Jackson Township

Attorney for the Jackson Township Home-Owners Protective Association is filing papers for a charter in Harrisburg, receipt of which is expected in the near future. At a meeting at the fire hall Wednesday evening, April 22, by-laws of the association were approved. It was also agreed that as many members of the Association as possible should attend the meeting of the Township Supervisors on Tuesday evening, May 5, at which time the aims and desires of the Association would be discussed with the supervisors. Association is open to all property owners of Jackson Township. In unity there is strength.

The following matter of utmost importance was brought to this reporter's attention, a matter important to the functioning of our fire department and one which concerns all residents of Jackson Township. The Firemen's Relief Fund for Jackson Township is supported by out of state fire insurance companies, which pay back into the State a percentage of the fire insurance premiums collected from the people of this state. The State then sends money to local townships specified by the Insurance Companies. However, if your insurance company does not have your correct address, this money will not get back into Jackson Township. Since the new address, R.D. 5 Shavertown, has gone into effect, the amount of our Relief Fund check has dropped and the firemen believe the change in our mailing addresses has caused this. The firemen are appealing to everyone carrying fire insurance in the township to write to your insurance carrier and give them your correct address, viz. John Doe, Box 111, R. D. 5 Shavertown, Jackson Township, Luzerne County, Pa. The names Jackson Township and Luzerne County in your address are very important because there are about nine other Jackson Townships in Penna. What helps our fire department may some day help you.

Five New Members Join Rebekahs

Lady Toby Rebekah Lodge 514, Lehman, formerly of Trucksville, welcomed five new members recently. They were initiated by Grayce Brodbeck and staff from Thalia Lodge of Pittston. Mrs. Brodbeck is a former State President of the Grand Lodge of Pennsylvania.

Initiated were: Emma Ide, Ruth Johnson, Dorothy Moore, Ruth Disque and Celia Ellsworth.

Following the business meeting refreshments were served to the following: Althea Zandora, Ada Pearl, Grace Brodbeck, Emma Gombert, Ethel Reid, Charlotte Evans, Agnes Evans, Ruth Lewis, Nita Haskings, Edna Ruggles, Minnie Fisher, Jennie Scott, Elizabeth Kramer, Ruth Weed, Rebecca Grey, Myrtle Rine-man, Maude Reisle, Emma Ide, Mary Shaver, Dorothy Moore, Margaret Robbins, Ruth Johnson, Mildred Baker, Delores Trumbower, Leona Uangle, Ruth Disque, Celia Ellsworth and the men from Lehman Osage Lodge.

POLICE AUXILIARY

Ladies Auxiliary of Back Mountain Police Association will meet tonight at 7:30 in the Lehman Fire Hall. There will be no speaker. It is expected that old and new business will be completed.
