Mount Zion - Carverton - Orange

Henry Hess, Jr., is home with his parents, Mr. and Mrs. Henry Hess of Demunds Road, after three years in the Navy.

Robert and Madge Snyder of Toms River are visiting Mrs. Marie Pomeroy of Sutton Creek Road, Orange. Their daughter Marie Elizabeth is getting her degree in Nursing Education.

Joe and Freda Perry, and Bill Priscilla Perry and children, have returned from Florida to their home on Sutton Creek Road. Rev. and

Mrs. William Gray and children are visiting Mrs. Gray's parents, Mr. and Mrs. Joseph Perry. The Rev. Mr. Gray is pastor of the Presbyterian Church in Lock Haven, Mrs. Gray is the former Catherine Perry.

The annual public meeting of the Franklin-Northmoreland Townships Ambulance Association was held last week Tuesday at the Centermoreland Methodist Church. Reports for the year were given. The following officers were elected: President, Wm. W. Boyes; vice-president Harold Davenport; secretary Ama DeGraw; treasurer L. Stanley Jones. The following directors were also chosen: For one year David Werts, for three years Mrs. Marion McHenry. And for Northmoreland Township, Stacey Schoonover.

Mrs. Margaret Marcy was up to Mt. Zion last Sunday with her granddaughter Penelope Pappas, whose last name at least used to be Pappas. I forgot to ask if that was her name now. She has grown tall like a lovely young tree!

And I saw Ellen Daniels whom I hadn't seen for some time. Of course I recognized her but I always have to identify her as "the little golden curled lassie" I often saw years ago when she lived with her folks where the Willis Hawkins people now live.

Edward Miles was not at church on account of having a bad sore throat.

It's a pleasure to see so many growing and beautiful things. The golden dandelions spattering both lawns, rejoicing that they are not being ruthlessly mowed down as fast as they bloom. And the lush grass, like border to border carpeting, growing taller every hour. It would look silly for me to lie down

and roll in it like a horse turned out to pasture, but Tuffy rolls and rolls with sheer skin-cooled joy.

I began one day to mow the lawn which is easy with our power mower. But these days my ability to do such easy things is severely limited by my loss of appetite and weight.

Funny about this loss of appetite; it's totally foreign to the Gilbert nature. It carries with it a revulsion against even the thought of food. Don't worry, I'm dutifully doctoring for the inside infection, for I don't want to get any lower in weight than the 174 I've reached. Once in awhile I think of something that I know would taste good. For instance, three years ago Cathy set out, with my help, a dwarf sickle pear tree near our old Kieffer pear. The catalogue said to have it near such a tree for the sake of cross pollination. Up till this year there were no blossoms, but now the little darling is blossoming at the same time the big tree is. So I've told all the little bees to do their best so I can have some sickler (or seedle pears) like I used to enjoy when I was as little as this four foot high tree. I hope I have at least three pears, one for Ruth, one for Cathy and one for me. And even without my appetite I'll enjoy that juicy pear.

Clara Gonsler is back at home now on Sutton Creek Road. She has a young woman named Ann Merritt from Wyalusing living with her at present. The Sunday night meeting of the Mt. Zion MYF featured a guest speaker, Mr. Wm. T. Thom III, assistant psychologist at the Children's Service Center in Wilkes-Barre. He spoke on the subject "Religion as an Adventure," mentioning the several types of religious work camps and projects. During the business meeting which followed, the following officers were elected: President Nadeen Van Tuyle, vice president Nancy Alling, secretary Karen Hronich, and treasurer Mark Anchunas.

Police To Hold Dance Back Mountain Police Association will hold a farmer dance May 15 at Jackson Fire Hall. Ladies Auxiliary will serve refreshments. The Sharps Trio will play for dancing with Red Jones as caller.
