

### Four Back Mountain Area Boys Named To All-Star Baseball Teams

Among 45 players named to all-star teams of their respective high school baseball leagues are four from the Back Mountain. Results, based on the balloting of 28 Wyoming Valley schoolboy coaches, were published Sunday in the second annual list compiled by the Sunday Independent sports staff.

The local boys are John Brominski and Tom Kerpovich, Dallas Seniors and Ken Ellisworth and Clayton Keiper, seniors from Lake-Lehman.

John just missed a unanimous nod. Letti, Pauletta and Sorber of

Lake-Lehman came close to becoming all-stars, but were edged out.

Brominski is a first baseman, Kerpovich and Keiper play the outfield and Ellisworth is shortstop for the Western Division.

Two on the Western Division All-Star team are repeaters. Brominski is one of them. He and Kerpovich are also listed among the five who won post-season honors in football. They were both members of the West Side Conference All-Star Football Squad last Fall. These same two boys won District Two wrestling crowns this year. John was defeated in the semi-finals and Tom in the finals of the Regionals at Williamsport.

### Bowling News

The big winter season of bowling is over! Summer leagues are in full swing and everyone is having a good time. This is the time to practice for the fall season and to relax and enjoy the competition.

I still have not all the results of the winter leagues. I would like to publish all the champion teams and winners of awards. Drop the information off at the Crown Imperial desk or send it to me at the Dallas Post; I will use it in this column.

The Woman's State Tournament is over and recipients of awards have been announced. Congratulations go to Libby Cyphers of Dallas for winning first prize in Class B for All-Events.

Libby averaged 190 for the nine games she rolled, three in each event. She totalled 646 in the doubles. Her series included 204-221-236 games. She also posted two series in the 500's, 146-157-166 (513) and 189-190-203 (553). Her doubles' partner was Ginny Farley, Dallas, and together they took over sixth place in Class C.

Libby bowls in the Bowlerettes League on Thursday nights at Crown Imperial Lanes and her name appears consistently among the weekly highs in the Bowling News.

Practically every woman Kegler from Crown Imperial entered the tournament, joining over 2000 women from all over the state.

Congratulations, Libby!
