**Strauser's Edges Out Gosart's;
Tied With Opponent In First Place**

by BILLY SPONSELLOR

Rogers Pitches Four Hit Game
In a decisive game for both teams, Strauser's defeated Gosart's 5-4, behind the four-hit pitching of Rogers. Both teams are knotted for first place with identical 5 and 1 records. Strauser's scored runs on three hits, a hit batsman, and a fielder's choice in the fourth inning which provided four runs. Rogers collected two hits and Evans drove in two runs with a fourth inning triple.

D. Merithew, Hoffman, and R. Merithew each had a hit for Strauser's. For Gosart's, Bellas and Robert Samanas each had two hits

to pace their team. Gosart's scored three runs in the sixth inning on a hit, two walks and an error. They played without Morgan, the regular pitcher and Meyers, who plays third base.

Dairy Teams Have Close Battle

In a close game, Harter's Dairy defeated Dallas Dairy by a score of 2 - 1. Dallas Dairy collected four hits to Harter's one, but that was the BIG HIT for Harter's as B. Lozo doubled in the second inning driving in the winning run. Lozo not only had the only Harter hit, but also scored their first run

when he walked in the first inning. Miller and Roth each had two hits for Dallas Dairy as Spencer scored the lone run when he got on base in the fourth inning on an error. The score probably would have been 3 - 2 in favor of Dallas if Scott had not made a beautiful catch of Novroski's hit to right field with base runners on second and third. Miller and Galletly did a good job of pitching for Dallas Dairy, as did T. Lozo and Sponseller for Harter's.

**Chuck Kern Hurls A No-Hitter
Against West Wyoming Teeners**

Chuck Kern, former Little League stand-out, hurled a no-hit no-run game on Friday evening against West Wyoming. Chuck also contributed a single, double and a triple to aid his own cause. Lehman won the game by a score of 8-0.

Dallas moved from fourth to second place on the strength of a three-game win streak. The team has come up with some fine defensive work in its last three outings and George Kostrabala, a converted infielder, has been handling the regular receiver.

Westmoreland, on the bottom, has been riddled with injuries and Mr. Zimmerman is finding it tough to come up with a winning combination. East Dallas played Lehman to a 6-6 tie in eight innings; game was called on account of darkness and

will be picked up at a later date as part of a double header. West Wyoming has come up with a few bad innings which has cost them at least one game. West Wyoming has a better team than the records show and they cannot be counted out of a play-off spot at the season's end.

All games are played at the Dallas Junior High School Field and start at 6:00 p.m. The age bracket for these teams is 13-15 and the boys have been playing some good baseball. Games are played on Monday, Tuesday, Thursday and Friday with Wednesday being open for make-up games.

Standings are as follows:

Lake-Lehman	6	0
Dallas	4	3
East Dallas	3	3
West Wyoming	2	3
Westmoreland	0	6

The average weekly wage today will buy more than twice the quantity of canned food than could be bought with the average weekly wage during the period 1935-39. The U. S. Bureau of Labor Statistics consumer price index has listed canned foods consistently in the "best buy" group of all food products.
