the eye, according to his mother, He was taken to the office of be in Nesbitt Hospital for two to around 8:35.

ravel a swing high in a tree near gery on Ted Bossert, sutured the Huntsville dam, and called to his seriously injured eye. companion, Paul Young, 20, to throw him something to use for the job. The stick glanced off his cheekbone and split the eyeball.

He was driven to Dr. H. G. Gallagher's office in Dallas, was advised to go to the hospital, as Dr. Gallagher was not there at the moment, and was rushed from his home to the hospital by Dallas

Mrs. Bossert told the Post it was very fortunate that her son's eye could be saved, and was appreciative of the emergency care he got, including prompt arrival of am-

After the injury occurred, according to Paul Young, the boys were driven to doctor's office by Mrs. W. J. Carroll, Machell Avenue, whose home was near-by.

### American Legion Commanders Night

Dallas American Legion will hold a Commanders Night on Saturday, August 29, 1964 at 8 p.m. at the Legion home on Memorial Highway. A cold platter will be served for a nominal fee.

Entertainment will be furnished by Jack Kelly at the piano and there will be community singing it was announced by Chairman Bernard McDermott, and co-chair-Corge Cave.

On Sunday August 30, 1964, the American Legion will hold its annual basket picnic at Melody Park, starting at 1:30 p.m. Joe Oravic is chairman, and Curtiss Bynon, co-

## Dallas Kiwanis **Places First**

## Many Activities Gain Achievement

William L. Guyette, president of Dallas Kiwanis Club, reported today that the Dallas Kiwanis has New Shop Owner again placed in first position in enviable record.

the Boys' and Girls' Work, made bowchak. by chairman George Thomas showed 38 hours volunteered by committee members. The group ap- continue barbering there. proved the issuance of two pairs of shoes for needy children, provided funds and supervision for the erecting of a fence around the Little League practice field as well as supporting the Little League Farm

Key Club activties reported by Chairman Robert Dolbear featured the continued care of lawns and chores performed for older residents by Key Club members from Dallas and Lake-Lehman High Schools. A new project for the month was the collection of cider jugs, in preparation for the annual cider sale in the fall.

Chairman George McCutcheon, of the Vocational Guidance Committee reported that Fred Hennebaul has completed his special training and is now studying American history under the tutelage of a committee member. This will make possible the securing of a High School diploma by the former student. An air-conditioner supplied by the Hennebaul Fund, a medical necessity, makes possible these activities during the warm weather.

Agriculture and Conservation activity on capon and poultry projects as well as lawn and garden work were reported by Chairman James B. Huston, Sr. Over 500 hours of volunteer work by Kiwanis members in the furtherance of the suc-Affairs, Harry Lefko.
