Students Pack Up And Go to College

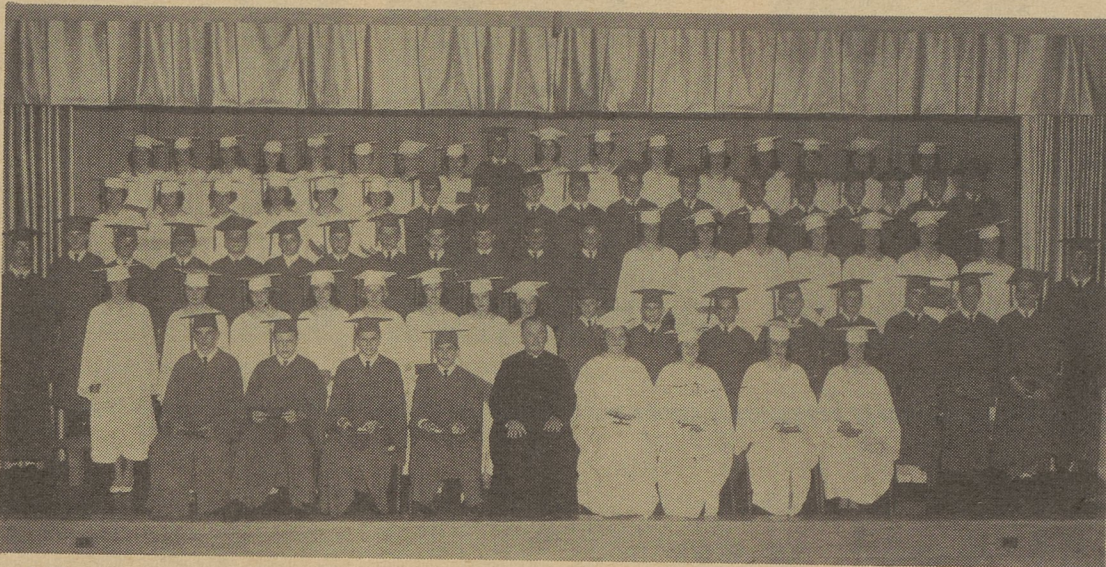

Out of town students often wish for a course on packing correctly. One important hint is to fit the garment to the suitcase for the least wrinkling. Lapels and collars should be smoothed, sleeves folded at front of garment, dresses folded at the waist.

Tissue may be used to stuff folds of garments where creases often result. Men's leather two-suiters have special compartments for suits and furnishings. Tuck socks, hankies, small items into shoes.

HIGHEST PAID

Teachers of law drew the highest salaries of all teachers in American institutions of higher education during 1962-63 according to a U.S. Office of Education study with a median salary of \$12,400.

June 1964, Ten Years Later At Gate Of Heaven, 80 Graduates

In the ten years since Gate of Heaven Parochial School graduated its first class, enrollment has risen from 170 to over 800, and facilities have been expanded from the original classrooms over the chapel, to a wing which houses not only classrooms but a combination cafeteria, gymnasium and auditorium, plus administrative offices.
