

SHAVERTOWN

And There Was No Light
To the great disappointment of many, the traffic lights for the Center Street intersection failed to materialize. Promised for school opening, the supervisors had to substitute a member of the police force to get the children safely across the wide lanes.

We understood everything was in order, but apparently it can't be, for no word has been received from the state. There was some quibbling over expense but wasn't a \$2 per capita increase made this year to pay for traffic lights over a three year period?

Temporary lights were speedily put up at Carverton Road, risking the disapproval, and they were needed there. We do not find fault with that, but Shavertown folks were left high and dry. Could a bit of personal enmity against a local businessman enter into it? Ted Poad tried to help, and our new supervisor, Dan Shaver, was anxious to get the signals in place. Who is to blame?

Not only are traffic lights a matter of concern, but it appears that little resurfacing or paving will be done this year since it is far behind schedule. Let's have less promises and more efficiency.

E. Center Street is a great improvement since the State has resurfaced the road. The bumpy crossing damaged many a car spring of motorists unaware of the dip. The speed with which this improvement was made should set an example.

The caving bank where Tischler's Store once stood is in the process of being filled and the bridge and bank being reinforced, which should present a nicer appearance to visitors.

Mary Lou Bucan is busy with her committees for the PTA Fair which promises to be a fine event, and everyone should patronize the booths operated by the parents.

If some of the samples of handicraft I have seen are any indication of the lovely items to be offered at the Pennsylvania Dutch Festival at St. Paul's Lutheran Church next week, it will be well worth your while to plan to attend. A delicious meal too, will make a real night out.

Shavertown Methodist Church parking lot is a very fine piece of paving. The blacktop was poured last week, and it is one of the nicest jobs I have seen.

The lovely geraniums which dot the grounds about the Church are kept in tip-top shape by Rev. Yost.

Here And There
Our very best wishes for an eventful and successful year go with David Huray as he takes up his new duties in far off Kenya. Like his neighbor Fred Malkemes, he felt his teaching experience could be put to good use in the African land where so much is needed. An enjoyable Labor Day weekend was held at the William Spaulding home when Mrs. Spaulding's children got together with their mother, Donald Mitchell and family came

down from Syracuse, Mr. and Mrs. H. S. Herr arrived from Philadelphia and Mrs. James C. Doran is here from Corona, Cal.

Mrs. Herman LaBar underwent surgery last week at Nesbitt Hospital. Our best wishes for a speedy recovery, Mary.

Mr. and Mrs. William Pethick left Friday to visit their friend, Mrs. C. A. Woodruff, New Berlin, N.Y.

It was Joey Allen who underwent surgery at Nesbitt Hospital and not Jeffrey as misstated in another section of last week's paper. We were happy to hear that Joey is recovering nicely and looking forward to returning to his family. He had a pretty rough time of it the first week following surgery and will not be able to return to classes for a time. He is still a patient at Nesbitt.

Mr. and Mrs. Charles Gosart, Sr., returned home on Monday after spending ten days at Laceyville, where Pop got in some good fishing.

Stopped in to see our neighbor, Tony Moreck, on Sunday. He was making progress and anxiously awaiting his return home.

Dropped in for a few minutes to see another neighbor, Mrs. Harry Alberts, but sorry to find that she is critically ill.

Mrs. Florence Kast entertained 28 members of her family at dinner on Sunday, having a real busy day.

Mrs. Wayne Faatz, who visited here briefly with her husband was delighted with the picturesque beauty of this area. It was her first trip East from Chicago where she was reared. The newlyweds left Illinois for Kentucky and came up through Virginia taking in the Skyline Drive on their way to Shavertown. They will reside in Missouri while Wayne takes graduate study.

Billy Glahn, son of Mr. and Mrs. William Glahn, will leave the 20th for Pennsylvania State University where he will be a member of the freshman class.

Mr. and Mrs. Charles Lutsey returned home over the weekend after visiting Mr. and Mrs. Clifford Russell at Peru, Indiana. While in the vicinity, they visited the burial ground of Frances Slocum.

Mr. and Mrs. Thomas Hontz had an enjoyable weekend when daughter and son-in-law, Mr. and Mrs. Ben Earl, Hamilton Square, N. J., came up to take their son home after a short vacation with his grandparents, and son Thomas and family drove in from Pittsburgh.

Was surprised to learn that Roy Elliott had been in Canada fishing when we passed through, and happy to know that his wife, Marian, was able to accompany him.

Mr. and Mrs. Bernard Lincoski, Kingston, have moved to 197 Elinor Avenue.

Mrs. Dorothy Breeden, Falls Church, Va., has returned home after spending three weeks with her parents, Mr. and Mrs. Morris King. She expects to undergo surgery shortly.

Mr. and Mrs. William Long, Dallas, have moved into the former Mark Bush home on Pioneer Av-

enue. The Domnick children have acquired a new kitty. Each picked a name and Janie was the winner with her choice of "Buttons." The entire family were rather amazed at young Jerry's favorite, "Knock-Out", and rather relieved that the little pet missed this monicker.

Altho it was a three day holiday, the time went swiftly, what with household chores, canning, and a day spent visiting the hospitals and rest homes. Fred had to go to Pennsylvania Dutch country on Monday, and it was a temptation not to view the lovely old homes and picturesque scenery, but this column had to be written and there were many other tasks to be done before the week started, so I did not accompany him, feeling rather guilty about it, but letting better judgement take precedence.

It was real nice and quiet, for once the phone was still, and I was rather enjoying the solitude, when Brenda Chimp decided to stir things up.

We had placed an old wardrobe in the garage for storage, and I was sure that she would disapprove the spot which partly obstructed her view. Her master was certain it was an ideal location, but he underestimated the strength of the ape family.

Slick as two strong men could move it, she sent the heavy walnut piece crashing to the floor. I tugged to get it righted, but had to wait for assistance. When Fred arrived, we tried to reconstruct the remnants, never underestimate the intelligence of a chimpanzee. But it would take a carpenter's skill to put it together again, so we gave it up as a bad job. How she managed to topple it in just the right manner and do such a complete job of demolition is beyond us.

Joins Air Force

Glen Hilbert, son of Stanley Hilbert, Beaumont, left Friday morning for San Antonio, Texas, where he will begin basic training with the Air Force.

Glen is a graduate of Tunkhannock High School.

Lake Sportsmen Plan Hunter Safety Course

The H. L. Sportsmen Pistol and Rifle Club will conduct a hunter safety course beginning on Saturday Sept. 19, 1964 and continuing for three Saturday mornings from 10:00 A.M. until noon.

This course is open to anyone for the cost of textbooks and incidentals, which will amount to one dollar.

It will be held on the club grounds which are located on route 29 between Hanson's picnic grounds at Harvey's Lake and Noxen. There will be at least four certified instructors on duty at all times, it will be given with the co-operation of The Penna. State Game Commission.

Contact the Pa. State Game Commission.
