

Dallas High School News

Editorial Welcome

Another year begins at Dallas High School, and we, your editors, Linda Davies and Bruce Hopkins, would like to extend our sincere wishes that this year will be the best of your high school career. We shall do our best to keep you well informed on the events and interesting items that occur through out the school year. Now, may we diligently look forward to this year, to its work, challenges, and pleasure, as we realize, after all, there are only 172 days left before we go on to broader horizons.

Fair Exchange

We are very happy to welcome two new exchange students. Best wishes to Rotary Exchange Student Birgitta Viborg. Birgitta comes to us from Upsala (seat of the Arch Bishop of Sweden). Upsala has a population of approximately 100,000 people. She attended the Cathedral School Gymnasium, and when she returns to Sweden, she will finish her final year in the Gymnasium. From there she will go on to study at the engineering school. Birgitta expressed how impressed she was with our countryside and how kind she has found the people of our community.

Our best wishes also, to Eli Filseth. Eli was Gail Rumbaugh's Norwegian sister while Gail was in Stabekk, Norway. She will spend this year as the guest of the Rumbaugh family. When she returns to

Norway, she will finish two more years at the Gymnasium. She then plans to go to technical school where she hopes to study chemical engineering.

We hope both of these girls continue to have a rich and rewarding experience during their stay with us.

Now on display: the most beautiful Chrysler ever built.

This is Chrysler '65. The big one that delivers. Luxury that reflects your good taste, for one thing. A fast answer to your demands, for another.

Look at it. Clean-lined. Big. Beautiful. Eighteen feet of comfort. Two tons of security. Called Chrysler.

It's easier to get into and out of. There's lots of headroom, and legroom and hiproom.

Get in and drive it. The first thing you'll notice is best described as "scorch." Model 1965 is a very quick automobile.

And there's an improvement in ride you can really feel.

One more point. A Chrysler isn't all that expensive. Seven Newport models are actually priced just a few dollars a month more than some of the most popular smaller cars.

Visit your Chrysler dealer and see them all: economical Newport; sports-bred 300; and the luxurious New Yorker. Move up to Chrysler. Model 1965. The man who sells them will make it easy.

Tune in Bob Hope and The Chrysler Theatre, Friday evenings; NCAA Football, Saturday afternoons; and the World Series—all on NBC-TV.

Drive it!
