BOWLING NEWS

Tuesday night has become a big night for mixed league bowling at Crown Imperial. The original Natona Girls and Harveys Lake Women's Service Club combined their forces last year and formed one big women's league and now, mixed their teams up with Linear (men and women) to form one big Tuesday night league. To date, I have not received news from this group, but I am sure that in the near future, it will be included in this column.

Lehman took the opening kickoff and moved to its own 46 before the attack stalled, forcing the Knights to punt.

Forty Fort put the ball in play on its 35 and marched to the Lake-Lehman 21 before Dubil picked-off a Forty Fort pass on his 5 and brought it out to the 33.

Dave Lenker, Forty Fort tackle, retaliated five plays later as he picked-off an Ellsworth pass on the Knights' 40 to set up the first Forty Fort score of the afternoon.

The Flyers needed only two plays to reach paydirt on first down Richards fought his way to the Lake-Lehman 18 from where Cheskiewicz circled his left end and behind some fine blocking raced into the endzone untouched for his first TD. Lenker kicked the PAT to give the Flyers a 7-0 lead.

Lake-Lehman fumbled on the first play from scrimmage following the kick-off and Peters recovered at the 12.

Cheskiewicz was called upon again to carry the mail and once again the Flyers pulled off the same play and Cheskiewicz tallied from the 12. Lenker again converted and the Flyers were off and running 14-0 as the first period ended. Move 62 Yards

Midway in the second quarter, Forty Fort started a drive from its 38 and in 13 plays moved in for another score just seconds before halftime.

Richards, Cheskiewicz and Cain alternated on running plays to reach the Knights' 23 before a pass to Talley placed the ball on Lake-Lehman's 8. Three plays later Cain skirted left end from 7 yards out for the score. Forty Fort held a 20-0 lead at intermission as Lenker's kick failed.

Cheskiewicz Again
Forty Fort took the second half kickoff and moved 59 yards to the Lake-Lehman 5 before a fumble halted another threat.

Lehman failed to pickup a first down and were forced to punt with Richards gathering it in on the Knights' 40 and moved down to the 35 from where the Flyers registered the final score of the afternoon.

After a short gain on first down,

tal pins of 2789 Monday night as the team took 3 points from Sportsmen Bar. The boys lost one close game to Sportsmen. Cook's Excavating posted high single of 962 and took 4 points from Davis' Market.

Amos, 207 for Wreckers; Garris had 202 for Kuehn's; Shaw, 201 for Cook's; Matte rolled 200 for Town House while Bob Moore piled up a 560 series.

Jr. High School PTA

First meeting of the 1964-65 Dallas Jr. High School PTA will be held on Monday, September 28, at 8:00 p.m.

Following the pattern of previous years, the first meeting will be a "Back-to-School Night" for parents, giving them the opportunity of becoming acquainted with their child's teachers and get a general idea of what their child's daily curriculum will be.

Ninth grade mothers will serve refreshments in the cafeteria.

Quarterback Walder executed a neat rollout play to reach Lake-Lehman's 7. After a penalty moved the Flyers back to the 17, Richards took a pitchout from Walder and hit Cheskiewicz with a strike at the 5 from where he went the remaining distance for his third touchdown. Forty Fort led 26-0 as the PAT failed.

Knights Threaten
One of the highlights as far as the Knights were concerned, was when Ed Dubil took the ensuing kick-off and raced 42 yards to the Forty Fort before being hauled down from behind.

Moments later, Dubil hit Mark McDermott with a screen-pass and the little scabback fought his way to the 12 before he was stopped and it looked as though the Knights were going to score.

Early in the fourth period McDermott reached the 4, but on a fourth down and two situation, Poehard crashed through to stop McDermott on the 6 and to kill the Knights' hopes.

The remainder of the contest found both teams exchanging the pigskin several times via interceptions.

Statistics
As statistics indicate, Forty Fort played a much smaller and inexperienced Lake-Lehman team off its feet.

Forty Fort registered 16 first downs while rushing for 232 yards and completed 5 of 12 passes good for 72 yards and had two intercepted. They suffered 70 yards in penalties.

On the other side, Lake-Lehman picked up 4 first downs, rushing for a net 28 yards, completed 2 of 10 passes for 30 yards and had four intercepted. The Knights were penalized 5 yards.

Individual statistics show that Cheskiewicz picked up 100 yards in 15 attempts, while Richards picked up 92 yards in 14 attempts.

Dallas Win Streak Halted As Plymouth Registers 20-12 Victory

Dallas Mountaineers saw their unbeaten streak of 21 consecutive games go by the boards Friday night as the Shawnee Indians of Plymouth rolled for two second half touchdowns to register a 20-12 victory before a crowd of around 4,000 on the victors gridiron.

When Dallas roared for two touchdowns in the first half it looked as though the Mountaineers would continue its streak and probably go on to topple all WSC competition without too much trouble, but Plymouth had other ideas in mind.

Indians Threaten
Plymouth threatened early as they moved from their 19 to the Dallas 19 after the opening kickoff only to have the attack fizzle. A run of 37 yards by Pechulis was the big play of the drive.

Dallas came right back with Baker, Bonomo and Stevens doing most of the gaining to reach the Indians 33 from where Baker, on a keeper play, rolled around right end for the TD. The PAT failed.

Baker Romps 90 Yards
Plymouth took the ensuing kickoff and with the aid of a 15-yard penalty and a 20 yard gain on a pass, Pechulis to Skvaria, marched 62 yards, but on a fourth down and four situation, Bob Redman made a hard tackle on Stabulis jarring the pigskin loose and Martin recovered on the 1 yard stripe.

Dallas moves to the 10 as the period ended.

On the first play of the second period Baker again ran the keeper play and this time raced 90 yards for the score. Dallas led 12-0 as another kick failed.

Indian Score
Plymouth finally got on the scoreboard after a Plymouth punt was fumbled on the Dallas 27 with the Indians recovering.

Pechulis picked up 12 yards to the 15 and then passed to Skvaria at the Dallas 3 and with just a minute remaining in the half, Stabulis cracked over for the TD. Borucki kicked the PAT to narrow it to 12-7.

Plymouth held the edge getting 14 first downs to 8 for Dallas. Plymouth picked up 162 yards rushing compared to 239 for Dallas (mostly on Baker's long runs). Plymouth hit on 10 of 18 passes for 100 yards while Dallas failed to hit on eight attempts with three being intercepted.

Dallas was penalized 30 yards, compared to 10 for Plymouth.

Plymouth Goes Ahead

Dallas threatened for another score after a Baker to Stevens pass put the ball on the Indians 10, only to have it nullified for illegal procedure. After this, the Mountaineers seemed to run out of gas and the Indians took advantage to go on to tally to second half scores.

A blocked punt by Plymouth midway in the third stanza, set up the go ahead score from the Dallas 40 yard line.

Stabulis picked up 18 yards to the Dallas 22 and then grabbed a Pechulis pass to reach the 4 from where Pechulis scored to give Shawnee a 13-12 lead that it never relinquished.

Following an interception of a Dallas pass, Plymouth failed to score from eight yards out as the Dallas forward wal stiffened. However, shortly after, Dobrowski intercepted another Dallas pass and reached the Dallas 45.

After Bonawits picked up 17 to the Dallas 28, a Dobrowski to Skvaria pass moved the ball to the 7. Quarterback Dobrowski swept end for 7 yards on the next play and Borucki booted the extra point to give Plymouth a 20-12 margin.

Trying desperately to get back in the game, Baker tried to go for long bomb and had another pass intercepted and the contest ended with Plymouth on the Dallas 8 yard line.

Statistics
Plymouth held the edge getting 14 first downs to 8 for Dallas. Plymouth picked up 162 yards rushing compared to 239 for Dallas (mostly on Baker's long runs). Plymouth hit on 10 of 18 passes for 100 yards while Dallas failed to hit on eight attempts with three being intercepted.

Dallas was penalized 30 yards, compared to 10 for Plymouth.
