

### Dallas High School News

**"In to Victory"**  
Well, we won; that's what we did! I mean, we played a football game with Forty Fort and everyone let them know who the West Side Champions are going to be, didn't we!

**The P.S.A.T.**  
The Preliminary Scholastic Aptitude Test will be administered Saturday, October 24, at the Senior High School. This test is prepared to give students an idea of what to expect when they take College Boards.

**Checkmate**  
The Chessmen (band) played up at the Senior High Castle, Saturday, for the second Senior dance of the season. The music was fit for a king, and it was really a great "knight". The bishops showed up at 7:30 p.m. and moved diagonally until 10:30 p.m. It was a real success and there wasn't a checker-board square in the bunch!

**Anybody wanna' buy a magazine.**  
The Curtis Magazine Drive started today with an assembly program explaining the drive. We're hoping to go way over our goal this year so let's get those subscriptions in!

**Junior Class Officers**  
The Junior Class held its first meeting last Wednesday and elected the following officers: President, Anthony Bonomo; Vice-President, Gail Hughes; Secretary, Janet Kelle; Treasurer, Ted Raub; Sergeant-at-Arms, Mark Dymond and Timothy Dymond.

**Hockey Team**  
The hockey team, under the coaching of Miss Jenkins, played its first game last Wednesday, but unfortunately they'd rather not talk about it. The score was 5-0 in favor of Meyers High. Well, girls, as the saying goes, "if at first you don't succeed, try, try, again". Best of luck for your next game!

**Teacher's Institute**  
I know that many of our students are regretfully looking toward next week, because unfortunately there are only three days of school. This is due to the fact that Teacher's Institute is being held Thursday and Friday. Alas, such is life!

**District Band**  
Tryouts were held last Sunday at Wilkes College for District Band. District Band will be held in Pittston this year. We'll let you know

the results when we get them.  
**Cut: Take Five**  
This year's senior play, directed by Mr. Hughes, is called "Stag Line". We have a fine list of actors and actresses and we hope this year's production will be one of the best. Tryouts were held all of last week with Judy Bergstrasser chosen for the lead. The characters are as follows:

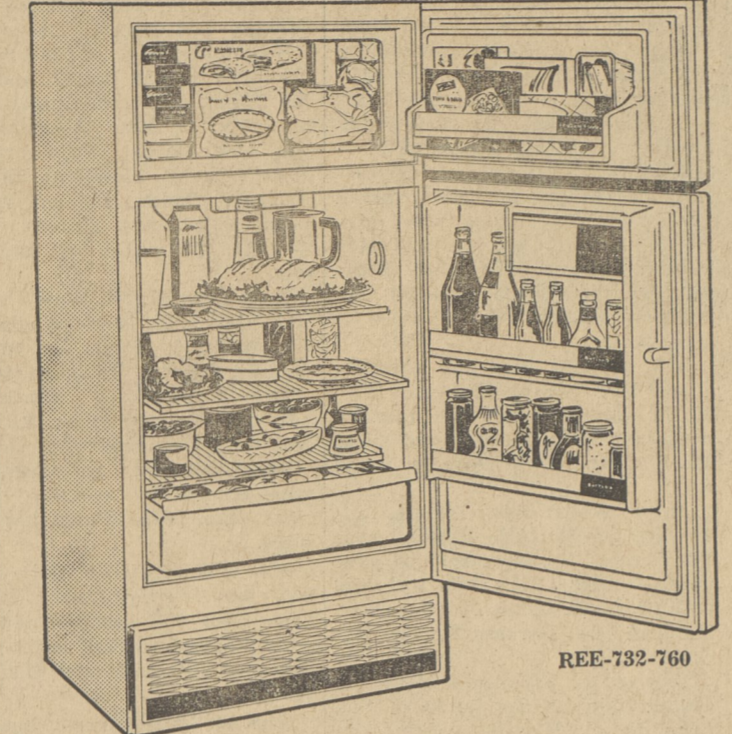

Mrs. Mason (mother), Laura Jenkins; Mr. Mason (father), Kenneth Higgins; Maudie, Judy Bergstrasser; Sylvia, Jean Fleming; Alix, Jo Ann Tucker; Julie (Maudie's friends), Linda Dymond; Lysbeth, Carole Rosnick; Ting, Donna Henninger; Carol (Sylvia's bridesmaids), Nadine Kuderka; Ronald (a house guest), Bruce Hopkins; Mrs. Farrington Smith (business acquaintance), Jacqueline Stanley; Smitty (the dressmaker), Donna Gordon; Davy (Maudie's stand-by), Lewis Isaac; Chi (his pal), Robert Anderson; Jerry (Sylvia's fiance), Stephen Farrar; Mac (the best man), Arthur Miller; Margaret (the maid), Patricia Cully; Snoots (an usher), Orazio Kyle; Narrator, Eileen Rattigan; Student director, Linda Davies; Assistant student director, Gail Lamoreux; Audio-Visual Aids, James Haines, Paul Campbell, William Cave, Charles Stevens, Robert Templin; Directed by Mr. Edgar Hughes.

**Committees:** Programs, Kathryn Bomberger, Helen Yagloski; Tickets, Robert Delbear, Sharon Evans, Philip Heycock, Carol Hudak, Catherine Hudak; Posters, Cynthia Galletly, David Palmer, Mary Demko, Margaret Kasmark; Properties, Robert Van Orden, Christine Klug, Edward McDade, Marypaula Stoner, Deborah Keller; Ushers, Patricia Smith, Linda McDermott, Barbara Daubert, Marypaula Stoner; Make-up, Diane Pickett, Janice Hanna, Susan Smith, Marilyn Moyer; Prompters, Marjorie Glahn, Jo Ann Norrie, M. Elaine Dixon.

The play will be produced November 20, at 8:00 p.m. in the Senior High School auditorium. We invite you to see our play. It will be a most worthwhile and entertaining evening.  
Always  
Linda Davies and Bruce Hopkins would like to thank MaryAnn Baloga who types our articles for the Post. Many thanks for a job well done.

## Introducing--- SPENCER SEWAGE TREATMENT PLANTS

(can be INSTALLED in one day)

Biomechanical - Anaerobic - Faculative - Aerobic  
**ODOR FREE - NUISANCE FREE**  
**HIGH DEGREE SEWAGE TREATMENT**

**LOW FIRST COST**  
**LOW INSTALLATION COST**  
**LOW OPERATING COST**  
**LOW MAINTENANCE COST**

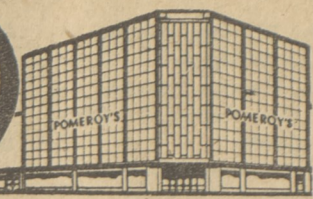

Due to greater migration to suburban and rural areas a need has expanded for factory-made sewage treatment plants for individual homes, developments or subdivisions, commercial, institutional and industrial applications not served by public sewer systems. Septic tanks have, and will continue to suffice for primary treatment of sewage where soil and geological conditions are such as to permit the use of this equipment. Where soil and geological conditions are not conducive, it is a recognized fact that the indiscriminate installation and use of septic tanks is a hazard to health and damaging to natural resources.
